§913. Definitions

As used in this Part:

*   *   *

(3)(a) "Advanced practice registered nursing" means nursing by a certified registered nurse anesthetist, certified nurse midwife, clinical nurse specialist, or nurse practitioner which is based on knowledge and skills acquired in a basic nursing
education program, licensure as a registered nurse, and a minimum of a master's
degree with a concentration in the respective advanced practice nursing specialty
which includes both didactic and clinical components, advanced knowledge in
nursing theory, physical and psychosocial assessment, nursing interventions, and
management of health care. Advanced practice registered nursing includes:

(vii) Analyzing multiple sources of data and identifying and performing
certain acts of medical diagnosis in accordance with the collaborative practice
agreement, unless the advanced practice registered nurse is exempted from the
requirement to enter into a collaborative practice agreement by the provisions of R.S.
37:1020.11.

(ix) Consulting with or referring patients to licensed physicians, dentists, and
other healthcare providers in accordance with a collaborative practice
agreement, unless the advanced practice registered nurse is exempted from the
requirement to enter into a collaborative practice agreement by the provisions of R.S.
37:1020.11.

(8) "Collaborative practice" means the joint management of the health care
of a patient by an advanced practice registered nurse who is not exempted from the
requirement to enter into a collaborative practice agreement by the provisions of R.S.
37:1020.11 and is performing advanced practice registered nursing and with one or
more consulting physicians, consulting practitioner, or dentists. Except as otherwise
provided in R.S. 37:930 and 1020.11, acts of medical diagnosis and prescription by
an advanced practice registered nurse shall be in accordance with a collaborative
practice agreement.

(9) "Collaborative practice agreement" means a formal written statement
addressing the parameters of the collaborative practice which are mutually agreed
upon by the an advanced practice registered nurse who is not exempted from the
requirement to enter into a collaborative practice agreement by the provisions of R.S. 37:1020.11 and one or more licensed physicians, consulting practitioner, or dentists, which collaborative practice agreement shall include but not be limited to the following provisions:

* * *

(17) "Consulting practitioner" means any qualified practitioner who has satisfied all of the following requirements:

(i) Completed the required number of collaborative practice hours.

(ii) Practiced as an advanced practice registered nurse for a minimum of five years in the same specialty as the person he is collaborating with.

(iii) Worked in a clinical healthcare field for a minimum of ten years.

(iv) Approved by the board as defined in R.S. 37:1020.11(A).

PART VI. COLLABORATIVE PRACTICE AGREEMENTS

§1020.11. Collaborative practice agreements; exemptions

A. As used in this Part, "board" means the Louisiana State Board of Nursing.
B. Each nurse practitioner, clinical nurse specialist, and certified nurse midwife who meets all of the following qualifications shall be exempt from any requirement set forth in this Chapter to enter into a collaborative practice agreement in order to perform advanced practice registered nursing:

   (1) Currently holds unencumbered, unrestricted, and valid registered nurse licenses in this state and advanced practice registered nurse licenses in this state and is not subject to disciplinary proceedings for any of the grounds provided in R.S. 37:921.

   (2) Has experience as recognized by the board to be no less than two thousand eighty hours in collaborative practice.

   (3) Has successfully completed academic coursework in advanced physical assessment and diagnostic reasoning, advanced pharmacology, and advanced pathophysiology.

C.(1) The board shall have the exclusive and final authority to determine whether a nurse practitioner, clinical nurse specialist, or certified nurse midwife has met the qualifications required by Subsection B of this Section.

   (2) Upon application of a nurse practitioner, clinical nurse specialist, or certified nurse midwife, if the board determines that all qualifications required by Subsection B of this Section have been met, the nurse practitioner, clinical nurse specialist, or certified nurse midwife shall not be required to enter into a collaborative practice agreement in order to perform advanced practice registered nursing.

   (3)(a) The board shall issue each nurse practitioner, clinical nurse specialist, and certified nurse midwife it considers to be qualified for the exemption provided for in this Section a certificate that bears all of the following:

   (i) The name of the applicant.

   (ii) The date of approval for the exemption.

   (iii) A statement of reliance verifying the exemptions.

   (iv) The signature of a designee of the board, under the seal of the board.
(b) Each certificate issued in accordance with the provisions of this Paragraph shall be admissible as evidence in all state courts as verification of the exemption provided for in this Section without the necessity of a personal court appearance by any member of the board.

D. The board may revoke an exemption granted pursuant to this Section at any time if it determines that an advanced practice registered nurse no longer meets the qualifications required by this Section.

E. The board shall promulgate all rules in accordance with the Administrative Procedure Act as necessary to implement the provisions of this Part.

F. The board shall retain all necessary information regarding the number of nurse practitioners, clinical nurse specialists, and certified nurse midwives who meet the qualifications for exemptions in this Part. Three years after implementation of this Part, the board shall submit a written report providing a status update and review of implementation including information on complaints and any disciplinary action taken by the board to the House and Senate committees on health and welfare. The committees may convene for an oversight hearing of this report jointly or separately.

Section 2. This Act shall become effective on January 1, 2023; if vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on January 1, 2023, or on the day following such approval by the legislature, whichever is later.

HB 543 Original 2022 Regular Session Stagni

Abstract: Defines and identifies criteria for a consulting practitioner and provides exemptions to the collaborative practice requirements for nurse practitioners and the requirements to qualify for such exemptions.

Present law defines advanced practice registered nurse, which includes performing acts under a collaborative practice agreement.

CODING: Words in struck through type are deletions from existing law; words underscored are additions.
Proposed law amends the advanced practice registered nurse definition and provides for exemptions to the collaborative practice agreement requirement.

Proposed law defines "consulting practitioner" and identifies the necessary criteria to be considered a consulting practitioner.

Proposed law, relative to collaborative practice agreements, requires the board of nursing to promulgate rules regarding collaborative practice agreement exemptions.

Proposed law provides information detailing how collaborative practice agreement exemptions shall be permitted, including the minimum qualifications for exemption from the collaborative practice agreement requirements.

Proposed law provides that if a provision of present law or present administrative rule requires a signature, certification, stamp, verification, affidavit, or endorsement by a physician, the requirement may be fulfilled by an advanced practice registered nurse practicing within his scope of practice in accordance with the provisions of present law and proposed law.

Proposed law requires the board to submit a report providing a status update and review of implementation.

Proposed law authorizes the board to have oversight and act as the final authority in determining whether a nurse practitioner, clinical nurse specialist, or certified nurse midwife has met certain qualifications.

Effective January 1, 2023.
