The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by James Benton.

DIGEST 2022 Regular Session

SB 275 Original

Abraham

<u>Proposed law</u> provides that the following words and terms will have the meaning indicated unless the context will clearly indicate a different meaning:

- (1) "Affiliate" means an entity as defined in <u>present law</u>.
- (2) "Governing body" means the body which exercises the functions of the affiliate or subsidiary of the local housing authority.
- (3) "Risk management organization" means an association formed by two or more affiliates and subsidiaries of local housing authorities by an agreement made pursuant to the provisions of <u>proposed law</u>, for the development and administration of a risk management program and one or more group self-insurance funds.
- "Risk management program" means a plan and activities carried out under such plan by a risk management organization to reduce risk of loss, including safety engineering and other loss prevention and control techniques, and to administer one or more local self-insurance funds, each established for one or more risks.
- (5) "Local housing authority" mean any parish or municipal housing authority.
- (6) "Self-insurance fund" means a pool of monies established by a risk management organization from contributions of its members.

<u>Proposed law provides</u> that any two or more subsidiaries and affiliates of local housing authority may make and execute an agreement between or among themselves to form and become members of a risk management organization. After a risk management organization has been formed, any affiliate or subsidiary of a local housing authority may, become a member and through participation in the organization may:

- (1) Pool its general liability risks.
- (2) Pool its workers' compensation risks.
- (3) Pool its directors and officers liability risks.
- (4) Pool its property coverage risks.
- (5) Pool other coverage risks the board of trustees or the risk management organization may

determine to be appropriate.

(6) Purchase insurance for risks of general liability, workers' compensation, directors and officers liability.

<u>Proposed law</u> provides that affiliates and subsidiaries of local housing authorities concluding an agreement under the provisions of <u>proposed law</u> will by resolution duly adopted by the governing body there of designate the Louisiana Housing Council, Inc. to administer the risk management agency and any group self-insurance fund or funds established by the organization and to administer the terms and conditions of the agreement by which the organization and any self-insurance fund or funds have been established.

<u>Proposed law</u> provides that all arrangements and agreements made under the authority of <u>proposed law</u> will be reduced to writing. Any affiliate and subsidiary of a local housing authority may become members of a risk management organization by the authority of resolution adopted by the governing body.

<u>Proposed law</u> provides that in the event the Louisiana Housing Council, Inc. is designated to administer a risk management organization, the insurance committee of the Louisiana Housing Council, Inc., will constitute the board of trustees of such organization established as provided in <u>proposed law</u> and will be authorized as such to adopt bylaws.

<u>Proposed law</u> provides that a risk management organization is not an insurance company or an insurer under the laws of this state and the development and administration by such organization of a group self-insurance refund or funds established for one or more risks will not constitute doing insurance business.

<u>Proposed law</u> provides that a self-insurance fund will not function as a means of sharing risks of loss among the members of a risk management organization until the risk management organization administering such fund will have received, for general liability, property coverage, and any other pooled line of coverage risks, an annual gross premium, calculated in accordance with the applicable manual premium rate or rates.

<u>Proposed law</u> provides that an affiliate or subsidiary of a local housing authority will not be liable to such risk management organization, to any other member, or to any claimant against the agency itself or another member, except for payment of contributions provided for in the agreement between the affiliate or subsidiary of the local housing authority and the risk management organization.

<u>Proposed law</u> provides that a risk management organization will administer the assets of a self-insurance fund to maintain appropriate levels of reserves and to ascertain full and timely payment of all fund obligations.

<u>Proposed law</u> provides that each risk management organization will file with the commissioner of insurance certified audited financial statements and a review of its operations and general condition by a certified independent casualty actuary.

<u>Proposed law</u> provides that no risk management organization will become operative until issued a certificate of authority by the commissioner of insurance.

<u>Proposed law provides</u> that a risk management organization will establish and maintain an aggregate loss fund or stop loss provision as part of the excess insurance policy placements in an amount of not more than \$1,500,000 for each risk underwritten.

<u>Proposed law</u> provides that workers' compensation coverage will provide statutory workers' compensation benefits coverage, including employers' liability coverage with limits of at least \$1,000,000.

<u>Proposed law</u> provides that the provisions of <u>proposed law</u> regarding excess insurance will apply only to self-insurance funds.

<u>Proposed law</u> provides that nothing will be construed to in any way reduce or limit a participating affiliate or subsidiary of a local housing authority member's rights or obligations with respect to he or her employees.

<u>Proposed law</u> provides that a risk management organization will maintain at all times a contract or contracts of specific excess insurance of at least \$1,000,000 per occurrence and a contract of annual aggregate excess insurance of at least \$2,000,000 dollars with respect to general liability claims.

<u>Proposed law</u> provides that excess insurance carriers selected by the risk management organization will have a current A.M. Best rating of A-VII as of the date of commencement of coverage.

<u>Proposed law</u> provides that the legislative auditor will have the authority to examine and audit the books and accounts of any fund established under <u>proposed law</u>. In addition, each participating affiliate or subsidiary of a local housing authority member will have the authority to cause an examination and audit by its representatives of any self-insurance funds.

Effective upon signature of the governor or lapse of time for gubernatorial action.
