HB 574 Original

2022 Regular Session

Pierre

Abstract: Clarifies that a used motor vehicle dealer may deliver a motor vehicle to a customer off site without risking denial, revocation, or suspension of his license.

Present law provides licensing regulation for used motor vehicle dealers in this state, and provides for denial, revocation, and suspension of a license for certain conduct.

Proposed law retains present law and provides that present law is not to be construed to prohibit a used motor vehicle dealer from delivering to a customer off site.
