Present law provides for the La. State Board of Dentistry within the La. Dept. of Health. Present law further provides for the board to have 15 members, including 13 qualified and licensed dentists, a qualified and licensed dental hygienist, and a consumer. Proposed law retains present law.

Present law provides that one dentist shall be appointed from each board district, except that two dentists shall be appointed from District Five and designated as representatives "A" and "B". Present law further provides that if the terms of representatives "A" and "B" expire on the same date, the term of either board member who has served for the least amount of time shall be extended for two years. Proposed law repeals the requirement that the term of representative "A" or "B" be extended if their respective terms expire at the same time.

Present law provides that each person appointed to the board shall serve a term of five years. Present law further provides that no person shall serve more than a total of 10 years on the board, whether the service consists of full or partial terms, or is consecutive or not. Proposed law changes the term limit to no more than two full terms.

Present law provides for the application of present law to a board member serving on August 1, 2014. Proposed law repeals the outdated present law.

Present law provides for the filling of a vacancy occurring on the board. Present law provides that members appointed to fill vacancies shall only serve for the unexpired term of their predecessors. Proposed law provides that a member appointed to fill a vacancy shall serve the remainder of the calendar year in which the vacancy occurred. Proposed law further provides that the member may then be appointed to serve an initial full term of five years and may be eligible for a second five-year term if reappointed and confirmed.

Present law provides for the initial appointments of board members between 1993 and 1996. Proposed law repeals present law.

Present law provides for a temporary appointment of the "At-Large Seat C" prior to the effective date of present law. Proposed law repeals present law.

Proposed law shall not be construed to prohibit any member currently serving on the La. State Board of Dentistry who has served more than two full terms from continuing to serve in that position for the remainder of his current term or until a successor is appointed.

Effective August 1, 2022.

(Amends R.S. 37:753(C)(1)(a) and (E); repeals R.S. 37:753(C)(1)(c) and (K))
