CURRICULA OR NO IMPACT See Note  
Provides relative to eating disorder instruction in schools

Proposed law requires public schools to provide age and grade appropriate classroom instruction aimed at the prevention of eating disorders, to be incorporated into an existing course of study. Requires public school governing authorities to adopt rules and regulations for the implementation of such instruction.

**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Instruction relative to the prevention of eating disorders is already included in health education textbooks and physical education courses and districts may be able to identify low- or no-cost resources to supplement instruction.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
