EXPENDITURE EXPLANATION

Proposed law will increase annual SGF expenditures in Other Requirements Schedule 20-966 - Supplemental Pay by \$24.85 M to provide supplemental payments increase of \$100 per month to eligible firefighters, police officers, deputy sheriffs, certain tribal police, harbor police, fireboat personnel, and bridge police beginning FY 23. The \$100 increase would bring the current supplemental payment amount from \$500 per month to \$600 per month (from \$6,000 per year to \$7,200 per year).

Currently, there are an average of 20,710 firefighters, police offers, and sheriff deputies receiving monthly supplemental pay for a total annual cost of \$124.26 M in FY 22. The proposed law requires an additional supplemental payment beginning in FY 23 of \$24.85 M SGF (\$149.11 M for \$600 per month - \$124.26 M for \$500 per month).

Note: The General Appropriations Bill (HB 1) for FY 23 has a recommended \$25.7 M SGF increase in supplemental pay for law enforcement personnel, which provides funding for the additional \$100 per month supplemental payment to local law enforcement.

Proposed law may increase Local Funds expenditures by an indeterminable amount as supplemental payments are include in the pensionable earnings used for calculation of retirement benefits.
