Abstract: Provides relative to disclosures to the Bd. of Ethics regarding school board employees who are family members of school board members or school district superintendents.

<u>Present law</u> prohibits an agency head from employing a member of his immediate family in his agency and prohibits a governmental entity from employing an immediate family member of a member of the governing authority or of the chief executive of the governmental entity.

<u>Present law</u> provides an exception that authorizes a local school board to employ any member of the immediate family of a board member or of the school district superintendent as a classroom teacher if the family member is certified to teach or is temporarily authorized to teach while pursuing certification. <u>Present law</u> provides other specific exceptions relating to employment of family members by school boards.

<u>Present law</u> requires that, within 30 days after the beginning of each school year, a school board member or superintendent whose immediate family member is employed by the school board shall file a disclosure statement with the Bd. of Ethics stating the facts of such employment.

<u>Proposed law</u> retains <u>present law</u> except to change the deadline for filing such disclosures to Sept. 15th of each year.

<u>Present law</u>, retained by <u>proposed law</u>, provides that a person who fails to timely file a disclosure statement may be assessed a late fee of \$50 per day, not to exceed \$1500.
