11 compact.

12 (ii) The employment, compensation, discipline or other matters, practices,
13 or procedures related to specific employees or other matters related to the
14 commission's internal personnel practices and procedures.

15 (iii) Current, threatened, or reasonably anticipated litigation.

16 (iv) Negotiation of contracts for the purchase, lease, or sale of goods,
17 services, or real estate.

18 (v) Accusing any person of a crime or formally censuring any person.

19 (vi) Disclosure of trade secrets or commercial or financial information that
20 is privileged or confidential.

21 (vii) Disclosure of information of a personal nature where disclosure would
22 constitute a clearly unwarranted invasion of personal privacy.

23 (viii) Disclosure of investigative records compiled for law enforcement
24 purposes.

25 (ix) Disclosure of information related to any investigative reports prepared
26 by or on behalf of or for use of the commission or other committee charged with
27 responsibility of investigation or determination of compliance issues pursuant to this
28 Section.

1 (x) Matters specifically exempted from disclosure by federal or member state
2 statute.

3 (c) If a meeting, or portion of a meeting, is closed pursuant to this Paragraph,
4 the commission's legal counsel or designee shall certify that the meeting may be
5 closed and shall reference each relevant exempting provision.

6 (d) The commission shall keep minutes that fully and clearly describe all
7 matters discussed in a meeting and shall provide a full and accurate summary of
8 actions taken, and the reasons therefor, including a description of the views
9 expressed. All documents considered in connection with an action shall be identified
10 in such minutes. All minutes and documents of a closed meeting shall remain under
11 seal, subject to release by a majority vote of the commission or order of a court of
12 competent jurisdiction.

13 (6) Financing of the commission

14 (a) The commission shall pay, or provide for the payment of, the reasonable

16 (b) The commission may accept any and all appropriate revenue sources,
17 donations, and grants of money, equipment, supplies, materials, and services.

18 (c) The commission may levy on and collect an annual assessment from each
19 member state or impose fees on other parties to cover the cost of the operations and
20 activities of the commission and its staff, which shall be in a total amount sufficient
21 to cover its annual budget as approved each year for which revenue is not provided
22 by other sources. The aggregate annual assessment amount shall be allocated based
23 upon a formula to be determined by the commission, which shall promulgate a rule
24 binding upon all member states.

25 (d) The commission shall not incur obligations of any kind prior to securing
26 the funds adequate to meet the same; nor shall the commission pledge the credit of
27 any of the member states, except by and with the authority of the member state.

28 (e) The commission shall keep accurate accounts of all receipts and
29 disbursements. The receipts and disbursements of the commission shall be subject

1 to the audit and accounting procedures established under its bylaws. However, all
2 receipts and disbursements of funds handled by the commission shall be audited
3 yearly by a certified or licensed public accountant, and the report of the audit shall
4 be included in and become part of the annual report of the commission.

5 (7) All of the following provisions relating to qualified immunity, defense,
6 and indemnification shall apply to the commission:

7 (a) The members, officers, executive director, employees, and
8 representatives of the commission shall be immune from suit and liability, either
9 personally or in their official capacity, for any claim for damage to or loss of
10 property or personal injury or other civil liability caused by or arising out of any
11 actual or alleged act, error, or omission that occurred, or that the person against
12 whom the claim is made had a reasonable basis for believing occurred within the
13 scope of commission employment, duties, or responsibilities; provided that nothing
14 in this Subparagraph shall be construed to protect any such person from suit or
15 liability for any damage, loss, injury, or liability caused by the intentional, willful,
16 or wanton misconduct of that person.

17 (b) The commission shall defend any member, officer, executive director,
18 employee, or representative of the commission in any civil action seeking to impose
19 liability arising out of any actual or alleged act, error, or omission that occurred
20 within the scope of commission employment, duties, or responsibilities, or that the
21 person against whom the claim is made had a reasonable basis for believing occurred
22 within the scope of commission employment, duties, or responsibilities; provided
23 that nothing in this Subparagraph shall be construed to prohibit that person from
24 retaining his own counsel; and provided further, that the actual or alleged act, error,
25 or omission did not result from that person's intentional or willful or wanton
26 misconduct.

27 (c) The commission shall indemnify and hold harmless any member, officer,
28 executive director, employee, or representative of the commission for the amount of
29 any settlement or judgment obtained against that person arising out of any actual or

1 alleged act, error, or omission that occurred within the scope of commission
2 employment, duties, or responsibilities, or that such person had a reasonable basis
3 for believing occurred within the scope of commission employment, duties, or
4 responsibilities, provided that the actual or alleged act, error, or omission did not
5 result from the intentional, willful, or wanton misconduct of that person.

6 §1140. Data system

7 A. The commission shall provide for the development, maintenance, and
8 utilization of a coordinated database and reporting system containing licensure,
9 adverse action, and investigative information on all licensed individuals in member
10 states.

11 B. Notwithstanding any other provision of state law to the contrary, a
12 member state shall submit a uniform data set to the data system on all individuals to
13 whom this compact is applicable as required by the rules of the commission,
14 including all of the following:

15 (1) Identifying information.

16 (2) Licensure data.

17 (3) Adverse actions against a license or privilege to practice.

18 (4) Non-confidential information related to alternative program participation.

19 (5) Any denial of application for licensure, and the reason for such denial.

20 (6) Other information that may facilitate the administration of this compact,

21 as determined by the rules of the commission.

22 (7) Current significant investigative information.

23 C. Investigative information pertaining to a licensee in any member state
24 shall only be available to other member states.

25 D. The commission shall promptly notify all member states of any adverse
26 action taken against a licensee or an individual applying for a license. Adverse action
27 information pertaining to a licensee in any member state shall be available to any
28 other member state.

1 E. Member states contributing information to the data system may designate
2 information that may not be shared with the public without the express permission
3 of the contributing state.

4 F. Any information submitted to the data system that is subsequently
5 required to be expunged by the laws of the member state contributing the
6 information shall be removed from the data system.

7 §1141. Rulemaking

8 A. The commission shall promulgate reasonable rules in order to effectively
9 and efficiently achieve the purpose of the compact. Notwithstanding the foregoing,
10 in the event the commission exercises its rulemaking authority in a manner that is
11 beyond the scope of the purposes of the compact, or the powers granted hereunder,
12 then such an action by the commission shall be invalid and have no force or effect.

13 B. The commission shall exercise its rulemaking powers pursuant to the
14 criteria set forth in this Section and the rules adopted in accordance with this Section.
15 Rules and amendments shall become binding as of the date specified in each rule or
16 amendment.

17 C. If a majority of the legislatures of the member states rejects a rule, by
18 enactment of a statute or resolution in the same manner used to adopt the compact
19 within four years of the date of adoption of the rule, then such rule shall have no
20 further force and effect in any member state.

21 D. Rules or amendments to the rules shall be adopted at a regular or special
22 meeting of the commission.

23 E. Prior to promulgation and adoption of a final rule or rules by the
24 commission, and at least thirty days in advance of the meeting at which the rule will
25 be considered and voted upon, the commission shall file a notice of proposed
26 rulemaking in all of the following areas:

27 (1) On the website of the commission or other publicly accessible platform.

1 (2) On the website of each member state's professional counseling licensing
2 board or other publicly accessible platform or the publication in which each state
3 would otherwise publish proposed rules.

4 F. The notice of proposed rulemaking shall include all of the following:

5 (1) The proposed time, date, and location of the meeting in which the rule
6 will be considered and voted upon.

7 (2) The text of the proposed rule or amendment and the reason for the
8 proposed rule.

9 (3) A request for comments on the proposed rule from any interested person.

10 (4) The manner in which interested persons may submit notice to the
11 commission of their intention to attend the public hearing and any written comments.

12 G. Prior to adoption of a proposed rule, the commission shall allow persons
13 to submit written data, facts, opinions, and arguments, which shall be made available
14 to the public.

15 H. The commission shall grant an opportunity for a public hearing before it
16 adopts a rule or amendment if a hearing is requested by any of the following parties:

17 (1) At least twenty-five persons.

18 (2) A state or federal governmental subdivision or agency.

19 (3) An association having at least twenty-five members.

20 I.(1) If a hearing is held on the proposed rule or amendment, the commission
21 shall publish the place, time, and date of the scheduled public hearing. If the hearing
22 is held via electronic means, the commission shall publish the mechanism for access
23 to the electronic hearing.

24 (2) All persons wishing to be heard at the hearing shall notify the executive
25 director of the commission or other designated member in writing of their desire to
26 appear and testify at the hearing no less than five business days before the scheduled
27 date of the hearing.

1 (3) Hearings shall be conducted in a manner providing each person who
2 wishes to comment a fair and reasonable opportunity to comment orally or in
3 writing.

4 (4) All hearings shall be recorded. A copy of the recording shall be made
5 available on request.

6 (5) Nothing in this section shall be construed as requiring a separate hearing
7 on each rule. Rules may be grouped for the convenience of the commission at
8 hearings required by this section.

9 J. Following the scheduled hearing date, or by the close of business on the
10 scheduled hearing date if the hearing was not held, the commission shall consider all
11 written and oral comments received.

12 K. If no written notice of intent to attend the public hearing by interested
13 parties is received, the commission may proceed with promulgation of the proposed
14 rule without a public hearing.

15 L. The commission shall, by majority vote of all members, take final action
16 on the proposed rule and shall determine the effective date of the rule, if any, based
17 on the rulemaking record and the full text of the rule.

18 M. Upon determination that an emergency exists, the commission may
19 consider and adopt an emergency rule without prior notice, opportunity for comment,
20 or hearing, provided that the usual rulemaking procedures provided in the compact
21 and in this Section shall be retroactively applied to the rule as soon as reasonably
22 possible, in no event later than ninety days after the effective date of the rule. For
23 the purposes of this Subsection, an emergency rule is one that shall be adopted
24 immediately in order to:

25 (1) Meet an imminent threat to public health, safety, or welfare.

26 (2) Prevent a loss of commission or member state funds.

27 (3) Meet a deadline for the promulgation of an administrative rule that is
28 established by federal law or rule.

29 (4) Protect public health and safety.

1 N. The commission or an authorized committee of the commission may
2 direct revisions to a previously adopted rule or amendment for purposes of correcting
3 typographical errors, errors in format, errors in consistency, or grammatical errors.
4 Public notice of any revisions shall be posted on the website of the commission. The
5 revision shall be subject to challenge by any person for a period of thirty days after
6 posting. The revision may be challenged only on grounds that the revision results
7 in a material change to a rule. A challenge shall be made in writing and delivered
8 to the chair of the commission prior to the end of the notice period. If no challenge
9 is made, the revision shall take effect without further action. If the revision is
10 challenged, the revision may not take effect without the approval of the commission.

11 §1142. Oversight; dispute resolution; enforcement

12 A. All of the following provisions shall apply with respect to the compact:

13 (1) The executive, legislative, and judicial branches of state government in
14 each member state shall enforce this compact and take all actions necessary and
15 appropriate to effectuate the compact's purposes and intent. The provisions of this
16 compact and the rules promulgated hereunder shall have standing as statutory law.

17 (2) All courts shall take judicial notice of the compact and the rules in any
18 judicial or administrative proceeding in a member state pertaining to the subject
19 matter of this compact which may affect the powers, responsibilities, or actions of
20 the commission.

21 (3) The commission shall be entitled to receive service of process in any
22 such proceeding and shall have standing to intervene in the proceeding for all
23 purposes. Failure to provide service of process to the commission shall render a
24 judgment or order void as to the commission, this compact, or promulgated rules.

25 B.(1) All of the following provisions relative to default, technical assistance,
26 and termination shall apply with respect to default, technical assistance, and
27 termination:

1 (2) If the commission determines that a member state has defaulted in the
2 performance of its obligations or responsibilities under this compact or the
3 promulgated rules, the commission shall do all of the following:

4 (a) Provide written notice to the defaulting state and other member states of
5 the nature of the default, the proposed means of curing the default, and any other
6 action to be taken by the commission.

7 (b) Provide remedial training and specific technical assistance regarding the
8 default.

9 C. If a state in default fails to cure the default, the defaulting state may be
10 terminated from the compact upon an affirmative vote of a majority of the member
11 states, and all rights, privileges, and benefits conferred by this compact may be
12 terminated on the effective date of termination. A cure of the default does not
13 relieve the offending state of obligations or liabilities incurred during the period of
14 default.

15 D. Termination of membership in the compact shall be imposed only after
16 all other means of securing compliance have been exhausted. Notice of intent to
17 suspend or terminate shall be given by the commission to the governor, the majority
18 and minority leaders of the defaulting state's legislature, and each of the member
19 states.

20 E. A state that has been terminated is responsible for all assessments,
21 obligations, and liabilities incurred through the effective date of termination,
22 including obligations that extend beyond the effective date of termination.

23 F. The commission shall not bear any costs related to a state that is found to
24 be in default or that has been terminated from the compact, unless agreed upon in
25 writing between the commission and the defaulting state.

26 G. The defaulting state may appeal the action of the commission by
27 petitioning the United States District Court for the District of Columbia or the federal
28 district where the commission has its principal offices. The prevailing member shall
29 be awarded all costs of such litigation, including reasonable attorney fees.

1 H. All of the following dispute resolution requirements shall apply to the
2 commission:

3 (1) Upon request by a member state, the commission shall attempt to resolve
4 disputes related to the compact that arise among member states and between member
5 and non-member states.

6 (2) The commission shall promulgate a rule providing for both mediation
7 and binding dispute resolution for disputes as appropriate.

8 I. All of the following provisions relating to enforcement shall apply with
9 respect to the commission and the compact:

10 (1) The commission, in the reasonable exercise of its discretion, shall enforce
11 the provisions and rules of this compact.

12 (2) By majority vote, the commission may initiate legal action in the United
13 States District Court for the District of Columbia or the federal district where the
14 commission has its principal offices against a member state in default to enforce
15 compliance with the provisions of the compact and its promulgated rules and bylaws.
16 The relief sought may include both injunctive relief and damages. In the event
17 judicial enforcement is necessary, the prevailing member shall be awarded all costs
18 of such litigation, including reasonable attorney fees.

19 (3) The remedies herein shall not be the exclusive remedies of the
20 commission. The commission may pursue any other remedies available under
21 federal or state law.

22 §1143. Date of implementation of the commission for counseling profession
23 compact, practice and associate rules, withdrawal, and amendment

24 A. The compact shall come into effect on the date on which the compact
25 statute is enacted into law in the tenth member state. The provisions, which become
26 effective at that time, shall be limited to the powers granted to the commission
27 relating to assembly and the promulgation of rules. Thereafter, the commission shall
28 meet and exercise rulemaking powers necessary for the implementation and
29 administration of the compact.

1 B. Any state that joins the compact subsequent to the commission's initial
2 adoption of the rules shall be subject to the rules as they exist on the date on which
3 the compact becomes law in that state. Any rule that has been previously adopted
4 by the commission shall have the full force and effect of law on the day the compact
5 becomes law in that state.

6 C.(1) Any member state may withdraw from this compact by enacting a
7 statute repealing the statute.

8 (2) A member state's withdrawal shall not take effect until six months after
9 enactment of the repealing statute.

10 (3) Withdrawal shall not affect the continuing requirement of the
11 withdrawing state's professional counseling licensing board to comply with the
12 investigative and adverse action reporting requirements of this compact prior to the
13 effective date of withdrawal.

14 D. Nothing contained in this compact shall be construed to invalidate or
15 prevent any professional counseling licensure agreement or other cooperative
16 arrangement between a member state and a non-member state that does not conflict
17 with the provisions of this compact.

18 E. This compact may be amended by the member states. No amendment to
19 this compact shall become effective and binding upon any member state until it is
20 enacted into the laws of all member states.

21 §1144. Construction and severability

22 This compact shall be liberally construed so as to effectuate its purposes. The
23 provisions of this compact shall be severable and if any phrase, clause, sentence, or
24 provision of this compact is declared to be contrary to the constitution of any
25 member state or of the United States or the applicability thereof to any government,
26 agency, person, or circumstance is held invalid, the validity of the remainder of this
27 compact and the applicability thereof to any government, agency, person or
28 circumstance shall not be affected thereby. If this compact shall be held contrary to
29 the constitution of any member state, the compact shall remain in full force and

1 effect as to the remaining member states and in full force and effect as to the member
2 state affected as to all severable matters.

3 §1145. Binding effect of compact and other laws

4 A. A licensee providing professional counseling services in a remote state
5 under the privilege to practice shall adhere to the laws and regulations of the remote
6 state.

7 B. Nothing in this Part shall prevent the enforcement of any other law of a
8 member state that is not inconsistent with the compact.

9 C. Any laws of a member state in conflict with the compact are superseded
10 to the extent of the conflict.

11 D. Any lawful actions of the commission, including all rules and bylaws
12 promulgated by the commission, are binding upon the member states.

13 E. All agreements between the commission and the member states are
14 binding in accordance with their terms.

15 F. In the event any provision of the compact exceeds the constitutional limits
16 imposed on the legislature of any member state, the provision shall be ineffective to
17 the extent of the conflict with the constitutional provision in question in that member
18 state.
