**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The Attorney General's office reports that any intervention in criminal actions or proceeding concerning a felony election offense can be absorbed by their current workforce.

The Secretary of State may incur minimal ballot printing costs associated with this measure. As a regular practice, the Secretary of State typically budgets for up to 10 constitutional amendments and statewide propositions for the fall statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Secretary of State may require additional SGF resources for the November 8, 2022, statewide election. Any expenditure impact would be realized in FY 23.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
