Subject: In-state residency status for military members and veterans	

TUITION EG NO IMPACT See Note Page 1 of 1
Provides in-state residency status for public postsecondary tuition fees to certain members and veterans of the military. (gov sig)

Present law authorizes public postsecondary institutions to charge nonresident tuition fees greater than those authorized for residents and that certain members of the U.S. military shall be classified as state residents for tuition fee purposes. Proposed law repeals outdated provisions in present law, and aligns state veterans tuition policy with federal law.
