Proposed Amd.:

Sub. Bill For.:

Date: April 3, 2022	3:28 PM	Author: ORGERON
Dept./Agy.: CPRA		Analyst: Deborah Vivien
Subject: Includes alternative energy in the Coastal dedication		

COASTAL RESOURCES OR SEE FISC NOTE GF RV Page 1 of 1
(Constitutional Amendment) Provides relative to the disposition of funds derived from alternative energy production in the coastal area

Current Constitution dedicates all federal revenue generated from the Outer Continental Shelf (OCS) from oil and gas activity to the Coastal Protection and Restoration Fund. Limitations on uses are stipulated in law.

Proposed amendment retains current law and adds any federal revenue generated in the OCS by alternative energy (wind, solar, tidal, wave, geothermal and other alternative or renewable energy production or sources) to the same dedicated uses.

To be submitted to the electors at the statewide election to be held on November 8, 2022.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

The Secretary of State may incur minimal ballot processing costs associated with this measure. As a regular practice, the Secretary of State typically budgets for up to 10 constitutional amendments and statewide propositions for the fall statewide elections. To the extent the ballot includes more than 10 constitutional amendments and statewide propositions, the Secretary of State may require additional SGF resources for the November 8, 2022 statewide election. Any expenditure impact would be realized in FY 23.

REVENUE EXPLANATION

This bill seeks to dedicate federal revenue from alternative energy in the Outer Continental Shelf (OCS, which is 3 U.S. nautical miles offshore) to the Coastal Protection and Restoration Fund under the same dedication as oil and gas revenue.

There are no current authorizations for federal or state payments from alternative energy. However, to the extent that federal payments on OCS alternative energy projects are authorized and paid, which seems likely given recent activity and announcements, the full amount will accrue to the Coastal Protection and Restoration Fund under this bill.

The dedication will only take effect if voters approve the measure on November 8, 2022.
