EXPENDITURE EXPLANATION

There will be an increase in SGF expenditures for the Department of Public Safety & Corrections - Corrections Services (DPS&C) to the extent an offender is convicted under the proposed amendments to the habitual offender law. An offender will be sentenced to an additional five (5) years to be served consecutively to the sentence for the instant offense. An additional five years in the custody of DPS&C will cost \$48,162 per offender (\$26.39 per day, per offender x 365 x 5 years) in adult local housing and \$151,895 per offender (\$83.23 per day, per offender x 365 x 5 years) in a state facility.
