F.(1) A retiree who is employed in a critical shortage position shall not receive a benefit during the period of his reemployment as provided in this Section
unless and until the Board of Elementary and Secondary Education and the board of
teachers of this system have received certification that a critical shortage exists. Prior
to making such certification for any full-time critical shortage position, the employer
shall cause to be advertised in the official journal of the employer's governing
authority, on two separate occasions, notice that a shortage of certified teachers
exists and the positions sought to be filled. Additionally, the employer shall cause
notice to be posted at the career development office, or similar such entity, of every
post-secondary institution within a one hundred twenty-mile radius of the employer's
governing authority. If a certified applicant who is not a retiree applies for an
advertised position, such person shall be hired before any certified retiree is
employed, unless fewer than three applicants have applied for the position each of
whom is certified in the critical shortage area being filled.

an employer covered by the provisions of this Chapter retired on or before June 30, 2020, and any retiree covered under Subparagraph (A)(6)(a) of this Section.

§710.1. Employment of retirees on or after July 1, 2020

A. Except as otherwise provided in this Section, any retiree who returns to active service with an employer covered by the provisions of this Chapter and who retired on or after July 1, 2020, shall for that period of employment choose one of the following irrevocable options, which shall be made in writing and filed with the appropriate officer of the employer:

The retiree shall submit to his employer a form provided by the system noting his decision to have his reemployment covered by the provisions of R.S. 11:710. After the termination of R.S. 11:710(G), the retiree may elect to be covered by the provisions of this Section as provided in Subsection B of this Section.

The Department of Education shall undertake a study to determine whether the critical shortages suffered by schools participating in the Teachers’ Retirement System of Louisiana are suffered to the same degree by schools that are not participating employers of the system. The department shall ascertain the causes of the shortages, and, if the shortages are not substantially the same, the department shall ascertain the reasons for the disparity. In either case, the department shall propose policy changes that will reduce or eliminate the shortages in both the long and short term. DIGEST
SB 434 Original 2022 Regular Session Fields

Present law governs the payment of benefits to retirees of the Teachers' Retirement System of Louisiana (Teachers') including retirees who return to work in positions covered by the retirement system. Present law generally requires payment of a retiree's benefit to be suspended for the duration of reemployment with some exceptions. Requires suspension of benefit without exception for any reemployment within the first 12 months of retirement. Requires payment of employer and employee contributions during reemployment. Provides for refund of employee contributions without interest after the reemployment ends.

Proposed law retains present law.

One present law exception (commonly referred to as "critical shortage") allows the receipt of retirement benefits without suspension for the duration of reemployment if all of the following apply to the retiree:

1. He retired on or before June 30, 2010, OR retired after that date and returned to a Teachers'-covered position on or before June 30, 2020.
2. He is employed to fill a position certified as a critical shortage position.
3. He is certified to teach in the critical shortage area.

Present critical shortage law requires the employer to meet certain advertising and posting requirements before certifying the existence of a critical shortage.

Present law is applicable to anyone who retired after June 30, 2010, and who first returned to work in a Teachers'-covered position after June 30, 2020, does not contain a critical shortage provision.

Proposed law generally retains present law. Proposed law additionally:

1. Applies present critical shortage law to any certified retiree, not just to one certified in the critical shortage area.
2. Allows anyone who retired before July 1, 2020, to be rehired under present critical shortage law.
3. Until June 30, 2025, allows an employer to hire a retiree certified in math, science, English language arts, or special ed excluding gifted and talented to fill a position in the certified area without complying with the advertising and posting requirements in present law.
4. Requires the Dept. of Education to determine whether non-Teachers' schools are having the same critical shortage issues, to find the reasons for the shortages and for

any disparity if those non-Teachers' schools are not having shortages, and to propose policy changes that will reduce or eliminate the shortages. Requires a report of findings and proposals by Jan. 20, 2023.

Effective upon signature of the governor or lapse of time for gubernatorial action.
