(12) To exercise any and all of the powers granted to an economic

increment financing pursuant to R.S. 33:9038.33 and 33:9038.34 and the power
to levy taxes within the district pursuant to R.S. 33:9038.39, provided that any
such powers exercised by the district shall be subject to the provisions of Part
II of Chapter 27 of Title 33 of the Louisiana Revised Statutes of 1950, unless
such provisions are inconsistent with the provisions of this Section, in which
case the provisions of this Section shall control.

(13) To levy sales taxes, or hotel occupancy taxes within the district or
any combination of such taxes, above and in addition to any other sales taxes,
or hotel occupancy taxes, or combination of such taxes, then in existence or
permitted to be in existence within the district, in an amount as may be
determined by the board with the approved written consent of the owners of
immovable property in the district, all in addition to the powers authorized pursuant to Paragraph (12) of this Subsection and pursuant to R.S. 33:9038.39, subject to the limitations and prohibitions of the Louisiana Constitution.

F. Levy of taxes. (1) In order to provide funds for the purposes of the district, the district, acting by and through its board, is hereby authorized to levy and collect within the district:

(a) A tax upon the occupancy of hotel rooms, motel rooms, and overnight camping facilities.

(b) A tax on the sale at retail, the lease or rental, the consumption and storage for use or consumption of tangible personal property and on sales of services, all as defined in R.S. 47:301 et seq., or any other appropriate provision or provisions of law, as amended.

(2) The aggregate tax rate upon the occupancy of hotel rooms, motel rooms, and overnight camping facilities within the district authorized pursuant to Subparagraph (1)(a) of this Subsection shall be at least equal to the aggregate rate of all taxes upon the occupancy of hotel rooms, motel rooms, and overnight camping facilities levied and collected within the city-parish.

(3) The aggregate sales tax rate within the district authorized pursuant to Subparagraph (1)(b) of this Subsection shall be at least equal to the aggregate rate of all such sales taxes levied and collected within the city-parish.

(c) The word "person" as used in this Section shall have the same...
meaning as contained in R.S. 47:301(8).

(5) The taxes authorized in this Section shall be imposed by ordinance adopted by the district, acting by and through its board, without the need of an election.

(6) It is hereby recognized that there are currently no hotel occupancy or sales taxes generated at the property within the district. Accordingly, if the district elects to levy and collect any of the taxes authorized in this Section, such levy shall be deemed to supersede and be in lieu of only such other taxes on hotel occupancy and sales that, without the authority of this Section, would otherwise be levied within the district, do not secure bonds that have been authorized, that have not been dedicated by other law or by proposition approved by electors voting in an election for such purpose, and that are not based on a per-head or per-person basis. Additionally, if, during the term of the district, such other taxes on hotel occupancy or sales within the district that are currently not available for use for tax increment financing purposes should subsequently cease to be authorized to secure bonds, cease to secure bonds that have been authorized, or cease to be dedicated by other law or by proposition approved by electors voting in an election for such purpose, and thus, become available for the use of the financing purposes pursuant to this Section, then such levy shall at such time be deemed to supersede and be in lieu of such other taxes on hotel occupancy or sales within the district and shall be available for use for the purposes of the district; however, if the district elects to levy and collect any of the taxes authorized in this Section, such levy shall not be deemed to supersede or be in lieu of the occupancy tax authorized by R.S. 33:4574.1.1(A)(6) relating to Visit Baton Rouge regardless of whether such occupancy tax is pledged or dedicated to secure debt or bonds that have been authorized and the proceeds of the avails of the occupancy taxes authorized in R.S. 33:4574.1.1(A)(6) shall be dispersed and used for the purposes set forth therein and as further provided in R.S. 33:4574.1.1(L).
G. Tax financing. (1)(a) The district may issue revenue bonds, in one or more series, payable from an irrevocable pledge and dedication of up to the full amount of the district's hotel occupancy and sales tax increments and other district revenues, leases, gifts, proceeds, rents, or other advantages as authorized by this Section, in an amount to be determined by the district, to secure any financing or multiple refinancings of any costs incurred or to be incurred in connection with any project or projects, or parts thereof, within the boundaries of the district. Additionally, without the necessity of issuing revenue bonds, the district may pledge up to the full amount of the district's hotel occupancy and sales tax increments and other district revenues, leases, gifts, proceeds, rents, or other advantages received or collected under the authority of this Section to any financing or multiple refinancings of any costs incurred or to be incurred in connection with any project or projects, or parts thereof, within the boundaries of the district in furtherance of the purposes of the district. Such financing may include but shall not be limited to any loan or loans, mortgages, the issuance of bonds, or the issuance of certificates of indebtedness. For each of the designated nonvoter elected, pledged or dedicated hotel occupancy taxes and sales taxes collected within the district, a tax increment shall consist of that portion of the aggregate of such tax revenues collected by the district each year which exceeds the amount of such taxes that were collected in the year immediately prior to the year in which the district was established.

(b) The pledge or dedication of tax increments authorized by this Section to pay indebtedness shall not impair existing obligations of the district and shall not include tax revenues previously dedicated by the district for a special purpose.

(2) Any instruments or obligations of the district may be validly executed, issued, sold, and delivered, notwithstanding that one or more of the officers of the board signing such instruments or obligations, or whose facsimile
signature or signatures may be on the instruments or obligations, shall have
ceased to be such officer of the board at the time such instruments or
obligations shall actually have been delivered.

(3) Any cost, obligation, or expense incurred for any of the purposes or
powers of the district specified in this Section shall be a part of the project costs
and may be paid or reimbursed as such out of the proceeds of bonds, tax
increments, property or other obligations of, pledged or issued by the district.

(4) The authority granted to the district pursuant to the provisions of this
Section is consistent with and subject to the limitations provided in R.S.
33:9038.42.

H. Term. The district shall dissolve and cease to exist one year after the
date on which all loans, bonds, notes, and other evidences of indebtedness
secured, in whole or in part, by district taxes or property are paid in full as to
both principal and interest; however, under no event shall the district have an
existence of more than thirty years from the date on which the taxes authorized
pursuant to this Section are first levied and collected.

I. Contesting ordinance or resolution; time limit. Any ordinance or
resolution adopted by the board including but not limited to an ordinance
adopted pursuant to Paragraph (F)(5) of this Section, or the pledge of tax
increments collected under the authority of this Section to any financing
authorized by this Section shall be published at least twice in the official journal
of East Baton Rouge Parish. For thirty days after the date of publication, any
person in interest may contest the legality of the ordinance or resolution and of
any provision therein made for the security and payment of the debt obligation
or the levy and collection of taxes. After that time, no one may file for any cause
of action to test the regularity, formality, legality, or effectiveness of the
ordinance or resolution, and provisions thereof for any cause whatever, except
for fraud. Thereafter, it shall be conclusively presumed that every legal
requirement for the levy and collection of taxes, the issuance of bonds or other
debt obligations, or the pledge of tax increment collected, including all things
pertaining to the authorizing thereof, has been complied with. No court shall
have authority to inquire into any of these matters after the thirty-day period
after publication unless a claim pursuant to this Section has been filed.

J. Liberal construction. This Section, being necessary for the welfare of
the city and its residents, shall be liberally construed to effect the purposes
thereof.

K. Severability. The provisions of this Section are severable. It is
intended that if any provision of this Section should be adjudged invalid or
unenforceable, then such provision shall be ineffective to the extent of such
invalidity or unenforceability without invalidating the remaining provisions of
this Section. Notwithstanding any provision of this Section to the contrary, if
any portion of a tax levied or tax increment pledged or dedicated pursuant to
this Section is held invalid, such invalidity shall not affect the validity of the
remaining portion of such tax or tax increment.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by James Benton.
