Present law creates the Lafayette Economic Development Authority (LEDA) as a political subdivision of the state with its territorial limits and jurisdiction extending throughout the parish of Lafayette.

Present law provides that the LEDA is established for the purpose of having a council composed of representatives from the business community, parish and city governments, and the University of Southwestern Louisiana (USL) to perform the functions of an economic and industrial development agency.

- (5) Two members, one of whom shall be a black citizen, shall be appointed by the LPC.

Proposed law makes technical changes to the list of board members and revises the nomination and appointment of board members as follows:

- (1) Two members, one of whom shall be nominated by the Lafayette Parish Farm Bureau, shall be appointed by a majority vote of the mayors of the incorporated municipalities of Lafayette Parish other than the city of Lafayette.
