DIGEST

SB 72 Engrossed

2022 Regular Session

Connick

Present law allows the juvenile court to dismiss proceedings on its own motion or by motion of the child or parent in Child in Need of Care and Family in Need of Services proceedings, and requires the juvenile court to dismiss the proceedings on motion of the petitioner.

Proposed law removes the authority of the juvenile court to dismiss a Child in Need of Care or Family in Need of Services petition on its own motion or the motion of the parent or child to align with Act 172 of the 2011 Regular Session, which removed the authority of the juvenile court to dismiss a juvenile delinquency petition on its own motion or the motion of the parent or child.

Proposed law otherwise retains present law.

Effective August 1, 2022.
