(5)(a) In addition to the limitations herein above set forth, "tax recipient bodies" for purposes of this Act shall be tax recipient bodies within the meaning of Article VII, Section 26 of the Constitution of Louisiana, limited solely to those taxes authorized prior to January 1, 1978, and any renewals thereof, or any millage authorized prior to January 1, 1978, but not levied in full or part on the tax rolls. In Orleans Parish this limitation shall apply solely to those taxes authorized and collected prior to January 1, 1978.

(b) "Population" shall mean that enumeration of persons within the state, its parishes, and incorporated municipalities determined by the Louisiana State University and Agricultural and Mechanical College Agriculture Center, Department of Agricultural Economics and Agribusiness, under the most recent federal-state cooperative program for local population estimates. Such determination shall be submitted to the state treasurer annually not later than January fifteenth of each calendar year. Any tax recipient body or incorporated municipality which is aggrieved by such determination may file a petition for administrative review with the state treasurer not later than March fifteenth of each calendar year hereafter. The estimates so submitted shall have no effect on the distribution for the fiscal year in which they are made but shall be utilized for purposes of this Act and for distribution during the ensuing fiscal year. The treasurer shall have authority to affirm, modify, or set aside in whole or in part, the determination of the Louisiana State University and Agricultural and Mechanical College Agriculture Center, Department of Agricultural Economics and Agribusiness.

(c) "Homesteads" shall mean that enumeration of homestead exemption claims filed with the assessors as determined by the Louisiana Tax Commission as of November fifteenth of the current calendar year from the original tax rolls submitted to the commission prior to any adjustments thereto.
(d) "Public school population" shall mean the enumeration of enrollments contained in the Department of Education Annual Report for the preceding school year.

(e) "City of New Orleans", unless otherwise indicated herein, shall mean only the city of New Orleans, the Orleans Levee District or its successor, the Sewerage and Water Board of New Orleans, the assessor for Orleans Parish, and the Orleans Parish School Board and reference in this Act to tax recipient bodies in the city of New Orleans shall refer only to the aforesaid entities.

Section 2. The revenue sharing fund for the Fiscal Year 2022-2023 shall consist of the sum of Ninety Million and No/100 ($90,000,000.00) Dollars.

Section 3. The amount to be distributed annually to each parish from the revenue sharing fund shall be the sum of (a) an amount equal to that percentage of eighty percent of the total fund which is equal to the ratio which the population of the parish bears to the total state population, and (b) an amount equal to that percentage of twenty percent of the total fund which is equal to the ratio which the number of homesteads in the parish bears to the total number of homesteads in the state. As used in this Section, the term "homesteads" shall mean that enumeration of adjusted homestead exemption claims filed with the assessors as determined by the Louisiana Tax Commission as of March thirty-first of the current calendar year.

Section 4. Except as provided in Section 5, the state treasurer shall distribute the funds herein allocated to the tax collectors of the respective parishes and to the city of New Orleans.

Section 5. That portion of the fund for the parish of Ouachita allocated to the Monroe City School Board shall be an amount which will reimburse said board, to the extent available and subject to the provisions of Section 9(C) of this Act, for the taxes lost as a result of homestead exemptions based on the tax rolls for the current calendar year and shall be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom the statutorily dedicated deductions for retirement systems. For the purpose of distribution of the balance of the revenue sharing funds the state treasurer may use the amount listed on the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.
Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed by the provisions of this Act, excluding such funds as are distributed directly to the city of New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were due the Monroe City School Board ($1,189,051), shall form a special fund ($9,723,762) to be distributed as commissions to the tax collectors of the respective parishes, the city of New Orleans excepted. Each such tax collector shall receive a percentage of such fund, based on commissions received by him pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this Act.

Section 7.A. Two and forty-four hundredths percent of all revenue sharing funds distributed by the provisions of this Act, excluding such funds as are distributed directly to the city of New Orleans and the amount listed on the prior year Ouachita tax rolls which were due the Monroe City School Board ($1,189,051), shall form a special fund ($1,993,780) to be distributed to the various retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this Act for distribution to such retirement systems, and shall make due payment thereof to each retirement system in the same proportion that the statutory deduction provided by law for the system bears to the total statutory deductions provided by law for all such retirement systems. For the purpose of distributing these retirement contributions, the state treasurer may use the statutory deductions determined by the Public Retirement Systems Actuarial Committee as per R.S. 11:103 for the previous calendar year.

B. The city of New Orleans shall make the deductions legally established for retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular Session and shall make due payment in accordance with the statutory deductions provided by law for all such retirement systems. Notwithstanding the above provisions the city of New Orleans shall remit the following amounts for the indicated retirement systems for Fiscal Year 2022-2023: Assessors' Retirement Fund, $168,474; Clerks of Court Retirement and Relief Fund, $137,015; District Attorneys' Retirement System, $67,281; Registrars of Voters Employees' Retirement System, $64,443; Sheriffs' Pension and Relief Fund, $55,762.

Section 9. All remaining funds shall be allocated and distributed as follows:

A. Subject to the provisions of Subsection B of this Section and except as provided by Section 5, the tax collector of each parish and the city of New Orleans shall allocate and distribute, within fifteen days after receipt thereof, to the tax recipient bodies within his jurisdiction an amount available after commissions and deductions which is necessary to offset losses attributable to homestead exemptions. In any parish which had excess funds in 1977, the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, adjusted by the percentage by which the number of homesteads in the parish increased or decreased from 1977 to 2021, together with any additional taxing bodies or millages authorized to participate on the same pro rata basis under the provisions of Section 1(a)(3), Section 1(a)(4), and Section 9(B) of this Act. This restriction shall not apply to the parish of East Carroll and to parishes in which there were no excess funds in 1977. However, in the city of New Orleans the amount available for the reimbursement of homestead exemption losses shall be limited to the amount used for that purpose in 1977, except that the amount distributed to the Orleans Levee District or its successor shall be limited solely to the amount used for the reimbursement of homestead exemption losses in 1977 on the Orleans Levee District's two mill tax. The remaining amount shall be adjusted by the percentage by which the number of homesteads in the city of New Orleans increased or decreased from 1977 to 2021, together with any additional taxing bodies or millages authorized to participate on the same pro rata basis under the provisions of Subsection B of this Section.

Section 13. The state treasurer shall distribute one-third of the total amount herein allocated to the parishes from the revenue sharing fund to the parish tax collector, or in Orleans Parish to the city of New Orleans, not later than the first day of December in each year, one-third thereof not later than the fifteenth day of March in each year and one-third thereof not later than the fifteenth day of May in each year, and each one-third of the total allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10 of this Act; however, the legislative auditor may authorize the granting of additional sums due any recipient in advance upon a showing that the advance receipt of such funds is reasonably necessary. If the state treasurer does not distribute the fund on or before the dates specified in this Act, any interest or other income derived by the state from the parish allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis together with the principal amounts due the parishes under the provisions of this Act. Any interest or other income derived by the parish tax collector or the city of New Orleans from the investment or other use of such total parish allocations received from the state treasurer,
earned prior to the distributions within the parish as required by the foregoing provisions of
this Act, shall be paid over a pro rata basis together with the principal amounts due the local
recipients under the provisions of this Act upon distribution thereto, and the parish tax
collectors or the city of New Orleans may retain only investment income earned on that
portion of the total parish allocation to which they are otherwise entitled under the provisions
of this Act. In light of the fact that all assessment roll figures will not be available in time
to base the December distribution by the treasurer on current figures, the distribution of
funds on the first day of December pursuant to this Act shall be based on the distribution
figures for Fiscal Year 2021-2022. The remaining two distributions on the fifteenth day of
March and the fifteenth day of May shall be based on current figures for Fiscal Year
2022-2023, and such distributions shall be adjusted to compensate for the differences
resulting in the use of the Fiscal Year 2021-2022 figures for the December distribution.

Section 14. On or before such date as shall be established by the state treasurer, each
tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually
shall file with the state treasurer, on such forms as the state treasurer may require, all
information necessary to the computation of the funds to be distributed within the parishes,
including, but not limited to, a listing of all such local entities seeking eligibility for funds
as a tax recipient body under the qualifications set out in Section 1(A) of this Act, all new
millages of such tax recipient bodies as are listed in Section 9(B) of this Act, and all
remaining authorities on the tax rolls which are otherwise ineligible to participate in the
distribution of revenue sharing funds as tax recipient bodies. The listing shall include such
verification for eligibility as may be required by the state treasurer and, notwithstanding the
provisions of Section 12 of this Act, no revenue sharing funds shall be distributed prior to
receipt and acceptance by the state treasurer of such information and verification. The same
authorities shall in the same manner submit to the state treasurer a statement of the amount
of revenue sharing funds distributed to each recipient of such funds, including the amount
deducted for sheriffs' commissions and for retirement system contributions and shall state
clearly on such forms the amount of the distribution to each such recipient which is derived
from excess funds and the amount of such distribution which represents reimbursement for
tax losses by reasons of the homestead exemption. Such statement shall also include the
amount of any revenue sharing funds which remain to be distributed and the recipients to
which such remaining funds will be distributed.

Abstract: Provides for the allocation and distribution of the Revenue Sharing Fund for FY

Paragraphs (1) through (8) of this digest contain no changes from FY 2021-2022 and only
restate the general provisions of last year's distribution; all changes for FY 2022-2023 are
contained in Paragraph (9) of this digest.

(1) Provides for the annual allocation and distribution of the state revenue sharing fund
in the amount of $90,000,000 for FY 2022-2023. The parish allocation is determined
by the parish's percentage of the total state population (80% of the revenue sharing
fund) and the parish's percentage of the total number of homesteads in the state (20%
of the revenue sharing fund).

(2) Requires the state treasurer to remit the total parish allocation in three allotments no
later than Dec. 1, March 15, and May 15, and further requires the sheriff to distribute
such funds to the tax recipient bodies within 15 days after receipt. Authorizes the
sheriff to distribute the first payment based on the previous year pending receipt of
the current tax rolls and requires adjustments on the final two payments.

(3) The constitution mandates payment, on a first priority basis from the parish
allocation, of the sheriff's commission, retirement systems' deductions, and
reimbursement to eligible tax recipient bodies for ad valorem taxes lost as a result
of the homestead exemption; any monies remaining in the parish allocation after
such payments are made are referred to as "excess funds" and are distributed on the
basis of a local formula contained in the Act.

(4) Provides that in any parish which had excess funds in 1977, except East Carroll, the
amount available for the reimbursement of homestead exemption losses shall be
limited to the amount used for that purpose in 1977, adjusted by the percentage by
which the number of homesteads in the parish increased from 1977 to 2021.
Prohibits participation of new millages levied after Jan. 1, 1978, unless authorized
to participate on the same pro rata basis by the local legislative delegation.

(5) Prohibits general obligation bond millages from participating in revenue sharing and
restates the constitutional mandate that the issuing authority levy sufficient millage
on all taxable property to pay annual debt requirements. Excepts Sabine Parish with
operation and maintenance millages having first priority over bond millages, excepts
Natchitoches Parish with maintenance and bond millages sharing pro rata, excepts
the BREC Capital Improvement Tax in East Baton Rouge Parish, and excepts all
bonds in Bossier Parish.

CODING: Words in struck through type are deletions from existing law; words underscored
are additions.
(6) Requires that all local distribution authorities file with the state treasurer all information necessary for the computation and verification of amounts due the eligible taxing bodies, and provides that no funds shall be distributed prior to receipt of such information. Directs the state treasurer and sheriff to pay to a recipient any earnings received from the investments of the parish allocation.

(7) Retains all prior authorized participation from Act No. 115 of the 2021 R.S. (Revenue Sharing Bill).

(8) The population shall be determined by the LSU AgCenter, Department of Agricultural Economics and Agribusiness, under the most recent federal-state cooperative program for local population estimates.

(9) The listing below contains every parish with any change and includes all new tax recipient bodies and millages authorized to share in their respective parishes:
