<b>Subject:</b> Suspends employment requirements of casino contract	

GAMING OR NO IMPACT See Note Page 1 of 1  
Suspends certain requirements regarding the landbased casino contract. (gov sig)

Current law requires the contract with the casino gaming operator of the land-based casino to include the requirements that the operator will not reduce total operating workforce in the casino below 90% and total salaries by more than 10% of the levels in place on March 8, 2001. Workforce and salaries may include certain employees and salaries from parent, subsidiaries, affiliates, 3rd party tenants and subtenants. The contract has been executed containing these minimum requirements for workforce and salaries.

Proposed law suspends the statutory requirement that the operator contract with the land-based casino contain workforce and salary minimums between July 1, 2022, through June 30, 2024.

**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

**REVENUE EXPLANATION**

The bill authorizes an amendment to the contract between the Gaming Control Board and the land-based casino to suspend the workforce and salary minimum requirements but does not amend the contract. The bill is not expected to directly impact payments to the state during the suspension period, particularly if the contract amendments explicitly state such.
