HB 91 Reengrossed

2022 Regular Session

Muscarello

Abstract: Authorizes the presentation of witness testimony by any audio-visual means.

Present law provides that the court may order, upon a showing of appropriate safeguards, live testimony of a witness to be presented in open court by teleconference, video link, or other visual remote technology, if the witness is beyond the subpoena power of the court or when compelling circumstances are shown. The order may be entered at a pretrial conference or, in exceptional circumstances, on motion set for hearing at least 10 days prior to trial or at another time that does not prejudice the parties.

Proposed law provides that the court may permit, upon a showing of appropriate safeguards, live testimony of a witness at trial to be presented in open court by any audio-visual means with the consent of the parties.

Proposed law provides that the consent of the parties shall not be unreasonably withheld by any party which shall be enforced by the trial judge pursuant to the court's authority to possesses inherently all of the power necessary for the exercise of its jurisdiction or as otherwise expressly provided by law.

Proposed law repeals provisions relative to entering an order.
