PART XIII. HEALTH CARE PROVISIONS COMMON TO HEALTHCARE FACILITIES AND SERVICES; LICENSING ENFORCEMENT

§2199. Violations; penalties; fines; notice; hearings; appeal; licensed entities

A. (1) For purposes of this Part Subpart, "facility" shall mean any one or more of the following: an adult day health care facility, substance abuse/addiction treatment facility, ambulatory surgery center, case management facility, urine drug screening facility, mobile cholesterol screening facility, end stage renal disease facility, supplier of portable X-ray services, home health agency, hospice, hospital, ICF/DD facility, outpatient abortion facility, or any other healthcare provider licensed or certified by the Louisiana Department of Health.

§2199.11. Purpose

The purpose of this Subpart is to protect public health and safety by establishing policies and practices through which incidents of workplace violence in healthcare settings can be properly addressed, mitigated, and, wherever possible, prevented.

§2199.12. Definitions

As used in this Subpart, the following terms have the meaning ascribed to them in this Section:

(1) "Department" means the Louisiana Department of Health and any healthcare professional licensing board transferred to and placed within the department pursuant to R.S. 36:259(A).

(2) "Licensing board" means any board or commission that has the duty to license a regulated entity as defined in this Section.

(3) "Regulated entity" means any licensed healthcare facility listed in R.S. 40:2006(A)(2), a federally qualified health center as defined in R.S. 40:1185.3, a pharmacy permitted in accordance with Part IV of Chapter 14 of Title 37 of the Louisiana Revised Statutes of 1950, and any healthcare provider's office at which patients are treated that is not otherwise licensed by the state but provides healthcare.
services delivered by a licensee of a healthcare professional licensing board created
in Title 37 of the Louisiana Revised Statutes of 1950.

(4) "Workplace violence" means violent acts, including battery or the
intentional placing of another person in reasonable apprehension of sustaining
battery, directed toward persons at work or on duty with their employment.

§2199.13. Licensed healthcare facilities; signage addressing workplace violence
required

A. Each regulated entity shall display at its premises at least one sign that
conforms with the specifications of Subsection B of this Section and indicates that
abuse of or workplace violence against healthcare staff will not be tolerated and
could result in a felony conviction under R.S. 14:38 or other applicable criminal
laws.

B. Each sign displayed in accordance with the requirements of this Section
shall conform with all of the following specifications:

(1) The sign shall be posted in a conspicuous location in a publicly
accessible area of the regulated entity's facility.

(2) The sign shall be at least eighteen inches tall and eighteen inches wide.

(3) The sign shall be written in the English language in letters not less than
one square inch in size.

§2199.14. Healthcare workplace violence; public information

A. The department shall develop, publish, and maintain public information
regarding the issue of healthcare workplace violence on its website.

B. The information provided by the department pursuant to this Section shall
include, at a minimum, all of the following:

(1) A listing of best practices, toolkits, and resources on the issue of
healthcare workplace violence from governmental and private authorities including,
without limitation, the Occupational Safety and Health Administration and the Joint
Commission.
(2) Actions that regulated entities can take and policies that such entities can adopt to prevent, respond to, report, and mitigate healthcare workplace violence.

C. The website on which the department publishes information regarding healthcare workplace violence shall include a downloadable example of text that complies with the provisions of R.S. 40:2199.13(A) relative to signage required to be displayed at facilities of regulated entities.

§2199.15. Healthcare workplace violence prevention plans

A.(1) Each regulated entity shall develop and maintain a workplace violence prevention plan that includes, at minimum, all of the following resources:

(a) Resources for ongoing education on the issue of workplace violence.

(b) Resources for prevention of workplace violence.

(c) Resources on responding to incidents of workplace violence and debriefing with respect to such incidents and responses thereto.

(2) Each healthcare workplace violence prevention plan developed pursuant to this Section shall address and encompass all of the following:

(a) Personnel education and policies requiring all healthcare workers who provide direct care to patients to receive, at least annually, education and training in a format that provides an opportunity for interactive questions and answers with a person knowledgeable about the workplace violence prevention plan. The education and training delivered pursuant to a workplace violence prevention plan shall cover topics including but not limited to all of the following:

(i) How to recognize the potential for violence to occur.

(ii) When and how to seek assistance to prevent or respond to violence.

(iii) How to report violent incidents to law enforcement.

(iv) Resources available to employees for coping with incidents of workplace violence.

(b) A system for responding to and investigating violent incidents and situations involving violence.

CODING: Words in struck through type are deletions from existing law; words underscored are additions.
(c) A system for regularly, and not less than annually, assessing and improving upon factors that may contribute to or help in preventing workplace violence. This system shall address, without limitation, all of the following aspects of the workplace:

(i) Staffing, including staffing patterns that may contribute to, or be insufficient to address, the risk of violence.

(ii) Sufficiency of security systems including alarms, emergency response systems, and availability of security personnel.

(iii) Job design, equipment, and facilities.

(iv) Security risks associated with particular units of the workplace, areas of the regulated entity's facility with uncontrolled access, late night or early morning shifts, and areas surrounding the facility such as employee parking areas.

(d) A requirement that the regulated entity maintain and make available to its employees a written safety and security plan.

B. The department may prescribe additional required content beyond the material required by Subsection A of this Section for workplace violence prevention plans.

C. Each regulated entity shall orient all permanent and temporary employees of the entity's facility to the workplace violence prevention plan of the entity.

D. Each regulated entity shall maintain its workplace violence prevention plan in effect at all times.

§2199.16. Acts of workplace violence at licensed healthcare facilities; reporting required

A. Each regulated entity shall report to the proper authority, as required by the entity's workplace violence prevention plan, any instance of workplace violence that occurs on its property.

B. If an instance of workplace violence at a regulated entity's facility results in injury, involves the use of a firearm or other dangerous weapon, or presents an
urgent or emergent threat to the welfare, health, or safety of facility personnel, the
regulated entity shall report the incident within twenty-four hours.

§2199.17. Retaliation in connection with reporting healthcare workplace violence:

prohibition

A. No regulated entity shall take any retaliatory action against a person who,
in good faith, reports an allegation of or an instance of workplace violence.

B. No regulated entity shall prohibit an employee from, or take punitive or
retaliatory action against an employee for, seeking assistance and intervention from
local emergency services or law enforcement when a violent incident occurs.

C. No regulated entity shall discharge, demote, suspend, threaten, or harass
an employee, or discriminate against an employee in the terms and conditions of his
employment, because of any lawful act engaged in by the employee, or taken on
behalf of the employee, in reporting to law enforcement a crime or allegation
involving workplace violence at the regulated entity's facility.

D. The employee protections provided for in this Section shall be in addition
to, and shall not replace, any protections conferred by the provisions of Title 23 of
the Louisiana Revised Statutes of 1950.

§2199.18. Enforcement

A. The department or a licensing board may take action against any license
it has issued to a regulated entity or an owner of such an entity, up to and including
license revocation, to enforce the provisions of this Subpart. The department may
make appropriate referrals to other state or federal agencies and offices that may
have jurisdiction over workplace violence or retaliation allegations.

B. With respect to enforcement of this Subpart, the department shall adopt
rules and regulations in accordance with the Administrative Procedure Act to provide
for all of the following:

(1) Penalties associated with violations of particular provisions of this
Subpart.

(2) Notice to a regulated entity of a violation.
(3) An informal reconsideration process.

(4) An appeal procedure including judicial review.

§2199.19. Rulemaking

The department and each licensing board shall promulgate in accordance with

the Administrative Procedure Act all such rules as are necessary to implement the

provisions of this Subpart.

Section 2.(A) The Louisiana State Law Institute is hereby directed to designate R.S.

40:2199 and 2199.1 as Subpart A of Part XIII of Chapter 11 of Title 40 of the Louisiana

Revised Statutes of 1950, and is further directed to apply to the Subpart the heading

"Licensing Enforcement".

(B) The Louisiana State Law Institute is hereby directed to designate R.S.

40:2199.11 through 2199.19, as enacted by Section 1 of this Act, as Subpart B of Part XIII

of Chapter 11 of Title 40 of the Louisiana Revised Statutes of 1950, and is further directed

to apply to the Subpart the heading "Healthcare Workplace Violence Prevention".

HB 312 Engrossed 2022 Regular Session Dustin Miller

Abstract: Establishes duties and requirements of certain licensed healthcare facilities and

the La. Department of Health with respect to addressing and preventing healthcare

workplace violence.

Proposed law provides that, for its purposes, "regulated entity" means any licensed

healthcare facility listed in present law, R.S. 40:2006(A)(2); a federally qualified health

center as defined in present law; a pharmacy permitted in accordance with present law; and

any healthcare provider's office at which patients are treated that is not otherwise licensed

by the state but provides healthcare services delivered by a licensee of a healthcare

professional licensing board created in present law.

Proposed law provides that, for its purposes, "workplace violence" means violent acts,

including battery or the intentional placing of another person in reasonable apprehension of

sustaining battery, directed toward persons at work or on duty with their employment.

Proposed law requires every regulated entity to display at its premises at least one sign

which indicates that abuse or assault of healthcare staff will not be tolerated and could result

in a felony conviction under present law, R.S. 14:38 or other applicable criminal laws.

Requires that each such sign shall conform with the following specifications:

CODING: Words in struck through type are deletions from existing law; words underscored

are additions.
(1) The sign shall be posted in a conspicuous location in a publicly accessible area of the facility.

(2) The sign shall be at least 18 inches tall and 18 inches wide.

(3) The sign shall be written in the English language in letters not less than one square inch in size.

Proposed law requires the La. Department of Health (LDH) to develop, publish, and maintain public information regarding the issue of healthcare workplace violence on its website. Provides that such information shall include, at a minimum, all of the following:

(1) A listing of best practices, toolkits, and resources on the issue of healthcare workplace violence from governmental and private authorities including, without limitation, the Occupational Safety and Health Administration and the Joint Commission.

(2) Actions that healthcare facilities can take and policies that such facilities can adopt to prevent, respond to, report, and mitigate healthcare workplace violence.

Proposed law requires every regulated entity to develop and maintain a workplace violence prevention plan. Provides specifications for elements and minimum content of such plans. Authorizes LDH to prescribe additional required content for such plans beyond the material specifically required by proposed law.

Proposed law requires every regulated entity to maintain its workplace violence prevention plan in effect at all times, and to orient all of its permanent and temporary employees to its plan workplace violence prevention plan.

Proposed law requires every regulated entity to report to the proper authority any instance of workplace violence that occurs on its property.

Proposed law prohibits regulated entities from taking any retaliatory action against a person who, in good faith, reports an allegation or instance of workplace violence. Provides that no regulated entity shall prohibit an employee from, or take punitive or retaliatory action against an employee for, seeking assistance and intervention from local emergency services or law enforcement when a violent incident occurs.

Proposed law prohibits regulated entities from discharging, demoting, suspending, threatening, or harassing an employee, or discriminating against an employee in the terms and conditions of his employment, because of any lawful act engaged in by the employee, or taken on behalf of the employee, in reporting to law enforcement a crime or allegation involving workplace violence at the entity's facility. Stipulates that the employee protections provided for in proposed law shall be in addition to, and shall not replace, any protections conferred by present law relating to labor and employment.

Proposed law authorizes LDH to take action against any license it has issued to a regulated entity or an owner of a regulated entity's facility, up to and including license revocation, to enforce the provisions of proposed law. Provides that with respect to enforcement of proposed law, LDH shall adopt administrative rules and regulations to provide for all of the following:

(1) Penalties associated with violations of particular provisions of proposed law.

(2) Notice to a licensed healthcare facility of a violation.

(3) An informal reconsideration process.

CODING: Words in struck through type are deletions from existing law; words underscored are additions.
(4) An appeal procedure including judicial review.

(Amends the heading of Part XIII of Chapter 11 of Title 40 of the La. Revised Statutes of 1950 and R.S. 40:2199(A)(1); Adds R.S. 40:2199.11-2199.19)

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Health and Welfare to the original bill:

1. Delete from proposed law all instances of the defined term "licensed healthcare facility" and replace the term with "regulated entity", defined as any licensed healthcare facility listed in present law, R.S. 40:2006(A)(2); a federally qualified health center as defined in present law; a pharmacy permitted in accordance with present law; and any healthcare provider's office at which patients are treated that is not otherwise licensed by the state but provides healthcare services delivered by a licensee of a healthcare professional licensing board created in present law.

2. Revise the definition of the term "workplace violence" for purposes of proposed law such that the term would mean violent acts, including battery or the intentional placing of another person in reasonable apprehension of sustaining battery, directed toward persons at work or on duty with their employment.

3. Delete proposed law requiring LDH to promulgate in rule the content requirements for workplace violence prevention plans.
