Abstract: Adds domestic violence matters as an assignable subject matter for divisions located in the 19th Judicial District Court.

Present law provides that the judges of the 19th Judicial District Court, with respect to seniority and the requirement that all cases be assigned randomly within multi-judge groupings, may assign to a division criminal matters or civil matters or drug court matters or any or all types of matters of which the court has jurisdiction by rule adopted by a majority vote of the judges sitting en banc, with the consent of the judge of a division.

Proposed law retains present law and adds domestic violence matters as an assignable subject matter for divisions within the 19th Judicial District Court.
