Abstract: Requires municipalities in Ascension Parish to notify the parish governing authority prior to annexing property.

Present law authorizes owners of property lying contiguous and adjacent to the territorial corporate limits of any municipality, except in New Orleans, to petition the mayor and governing authority of the municipality to annex their property into the municipality. Requires that the petition contain one-third in number and value of the bona fide owners of the property and that a majority in number and value of the qualified electors residing in and upon the property vote in favor of annexation at an election held for that purpose.

Proposed law retains present law and additionally requires the municipal governing authorities in Ascension Parish to notify the parish governing authority of the upcoming election at least 30 days prior to the election.

- (2) The annexation of a contiguous area is approved by the voters of the area proposed to be annexed in an election requested by a petition signed by at least 25% of the

resident property owners and by the owners of at least 25% in value of the resident property within such area.

- (3) A municipality may annex contiguous areas by election provided at least 90% of the boundary of the area to be annexed is common to the boundary of the municipality and a majority of the registered voters residing in the area proposed for annexation voting at an election held for that purpose vote in favor of annexation.
