

1 WHEREAS, a shoulder is an important element in roadways and provides a sense
2 of security enabling all drivers making emergency stops to leave the traveled roadway; and

3 WHEREAS, a shoulder accommodates stopped vehicles, emergency use, and
4 provides lateral support of the subbase, base, and pavement; and

5 WHEREAS, the current rural roadway conditions are less safe for motorists that
6 travel Louisiana Highway 19 between north Zachary to the Mississippi state line as there is
7 no structural support for emergency maneuvers; and

8 WHEREAS, the Department of Transportation and Development is responsible for
9 the upkeep of highways in Louisiana in order to ensure the safety of the citizens of this great
10 state, and enhancing the safety of Louisiana Highway 19 between north Zachary to the
11 Mississippi state line is imperative.

12 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
13 urge and request that the Department of Transportation and Development study the road
14 conditions on Louisiana Highway 19 between north Zachary through the Mississippi state
15 line and detail its findings and recommendations for the feasibility of adding a shoulder.

16 BE IT FURTHER RESOLVED that the Department of Transportation and
17 Development's recommendations shall consider enhancements to the safety of Louisiana
18 Highway 19 between north Zachary and the Mississippi state line and, at a minimum, shall
19 include the following considerations:

- 20 (1) The feasibility of adding a shoulder.
- 21 (2) The cost of the shoulder.
- 22 (3) The number of accidents that have occurred on the stretch of highway that
23 is the focus of this study, including the number of deaths and the degree of
24 damage sustained in those accidents.
- 25 (4) The posted speed limits.
- 26 (5) The portions of the road with and without shoulders.
- 27 (6) The width of all bridges and the degree and number of curves per mile with
28 special consideration on hills, railroad tracks, and types of crossing guards.
- 29 (7) The impact of each consideration on the safety of the highway.

1 BE IT FURTHER RESOLVED that the Department of Transportation and
2 Development shall submit a written report to the House Committee on Transportation,
3 Highways and Public Works and the Senate Committee on Transportation, Highways and
4 Public Works detailing its findings and recommendations prior to March 1, 2023.

5 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
6 secretary of the Department of Transportation and Development.
