SB 104 Engrossed

DIGEST
2022 Regular Session

Mizell

Proposed law provides that a patient in an outpatient abortion facility shall be permitted unimpeded, private, and uncensored communications with persons by telephone. Further provides that if an outpatient abortion facility requires a patient to forego possession of the patient's mobile phone or cellular phone as a condition for receiving services or patient access to the facility, the outpatient abortion facility shall provide telephone access in each procedure room.

Proposed law provides that a violation of proposed law shall be considered a violation of a condition of licensure and subject to penalty provisions under present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
