established by the hearing examiner, based on evidence that the following conditions
have been met:

(1) The fishing vessel was being used for fishing in Louisiana territorial
waters within the boundaries established for this dedicated fund account.

(2) The fisherman made a report to the assistant secretary on the location of
the obstruction postmarked within ninety days of the loss. If good cause is shown,

so certified shall be denied. Whenever four or more claims are reported after a site
has been certified as clear, the site shall be revisited and the new or leftover
obstruction shall be located and, if the department determines it is feasible, removed.

D. Upon receipt of a claim against the fund, the secretary shall assign the
matter to a hearing examiner for disposition. Claimants shall submit such
documentary evidence as the hearing examiner requires to prove a valid claim
justifying payment from the fund. In the event that a dispute arises over any claim
that cannot otherwise be resolved, the hearing examiner shall hold a hearing, after
giving public notice. At such hearing, the claimant and any other interested person
may submit evidence. The hearing examiner shall have the power to administer
oaths and subpoena witnesses and books, records, and other evidence pertinent to the
issue. The hearing shall be held in the state at a place and time determined by the
secretary. After the hearing, a prompt decision shall be made, all in accordance with rules and regulations adopted pursuant to this Part and the Administrative Procedure Act.

§101.14. Facilities reports; survey of obstruction; labeling
