Subject: Computer Science Education Act		

TEACHERS RE NO IMPACT See Note
Establishes the Computer Science Education Act. (gov sig)

Proposed legislation establishes the Computer Science Education Act. Requires the formation of a commission to provide recommendations to the Board of Elementary and Secondary Education (BESE) for the development and implementation of a state action plan for the delivery of education in computer science in all public schools. Requires the Louisiana Department of Education (LDE) to provide staff support for the commission. Provides for the commission's reporting requirements to BESE. Requires BESE to establish a state action plan for computer science education for kindergarten through grade twelve, and to submit the action plan to the legislature for review. Provides that implementation of the state action plan established pursuant to proposed legislation is subject to appropriation. Effective upon governor's signature.
