HB 129 Reengrossed

2022 Regular Session

Nelson

Abstract: Relative to failure to honor a written promise to appear, provides relative to notification to the arrested person, suspension of an operator's license, and payment of a fine.

Present law provides that when an arrested person who was released on a written promise to appear before a magistrate at the place and time specified in a summons fails to honor such written promise to appear, the magistrate or judge may immediately forward to the Dept. of Public Safety and Corrections (department) notice of the failure to appear, with information necessary for identification of the arrested person.

Proposed law retains present law.

Present law further provides that unless the original charges have been disposed of, the department is required to notify the arrested person of suspension of his operator's license and the imposition of a \$50 fee. The department is further required to inform the arrested person that his operator's license cannot be renewed or reissued until the court certifies that he honored the promise to appear or paid an appropriate fine.

Proposed law amends present law to provide that the department shall immediately notify the arrested person by regular mail and any available electronic communication that his operator's license may be suspended if he fails to honor the written promise to appear or pay an appropriate fine for the offense within 180 days after the date the notice was received.

Proposed law further requires the department to send a second notice to the arrested person by regular mail and any available electronic communication no later than 120 days after receiving notice from the court exercising jurisdiction of the pending suspension of the operator's license of the arrested person.

Present law provides that whenever the arrested person makes an appearance or pays an appropriate fine for the offense committed, the prosecuting authority is required to immediately notify the department. Further provides that upon such notification and payment of an additional \$50 to department, the operator's license of the arrested person shall renewed or reissued.

Proposed law amends present law to provide that upon notification to the department, and payment of \$100 to the department, if the operator's license of the arrested person was suspended, the operator's license shall be released from the pending suspension, renewed, or reissued.
