2022 Regular Session

Amendments proposed by Representative Wright to Engrossed House Bill No. 640 by Representative Wright

1 AMENDMENT NO. 1

2 On page 1, line 14, change "labeling requirement" to "requirements"

3 AMENDMENT NO. 2

4 On page 1, delete lines 16 through 18 in their entirety and insert in lieu thereof the following:

5 "A. All healthcare providers administering vaccines within this state shall
6 provide to a consumer, prior to administering a vaccine, a document created by the
7 Louisiana Department of Health that states, "If you would like to learn more
8 information about whether the vaccine you are taking was produced with or tested
9 on aborted human fetal-derived cells or human embryonic-derived cells, please visit
10 www.ldh.la.gov/vaccineinfo."

11 B. The Louisiana Department of Health shall do all of the following:

12 (1) Create a document that complies with Subsection A of this Section and
13 provide the document to healthcare providers via electronic or physical means.

14 (2) Publish a website that provides information on vaccinations produced
15 with or tested on aborted human fetal-derived cells or human embryonic-derived
16 cells. The website shall be made accessible through the URL,
17 www.ldh.la.gov/vaccineinfo.

18 (3) Determine the most cost-effective method of production of the document
19 written exclusively for the state of Louisiana as required by Subsection A of this
20 Section.

21 (4) Promulgate rules as needed to facilitate the document required by
22 Subsection A of this Section.

23 C. For the purposes of this Section, "testing" means preclinical examinations
24 that occur after production and are conducted by a pharmaceutical company or its
25 contractors or collaborators to determine the efficacy or composition of the final
26 vaccination product."
