HB 364 Reengrossed

2022 Regular Session

McKnight

Abstract: Establishes disciplinary hearing procedure for public postsecondary students and student organizations.

Proposed law requires public postsecondary education management boards to establish policies relative to the procedure for students or student organizations being charged with non-academic offenses to use an attorney or non-attorney advocate in their defense at disciplinary proceedings and appeal hearings.

Such a policy shall apply to a student or student organization being accused of violating a non-academic rule or policy and shall include:

- (1) Requirements for notice of a charge being brought against a student or student organization.
- (2) The opportunity for a student or student organization to appeal a decision that it was in violation of a non-academic policy or rule within 90 days of the decision.
- (3) The alleged victim having an opportunity to be represented by an attorney or non-attorney advocate.

Relative to student violations punishable by suspension of 10 or more days or expulsion and organization violations punishable by suspension or removal of the organization from the institution, disciplinary procedures contained in the code of student conduct shall:

- (1) Afford the accused a presumption of innocence.
- (2) Require the institution to maintain a file of disciplinary proceedings.
- (3) Provide for access to the file by the accused and the victim.
- (4) Ensure that proceedings are free from conflicts of interest by preventing commingling of administrative or adjudicative roles.

Authorizes a court to award treble damages for a violation of proposed law.

Authorizes institutions to take reasonable interim measures to maintain the safety of members of the campus community during the investigation and adjudication if the student poses a risk.
