(1) Attend a meeting with the department, the administrator of the fund, any third-party administrator contracted or performing services for the fund, and the fund's board of trustees to discuss the financial condition of the fund and to advise the department of the course of action the fund will take to obtain net incomes on subsequent audited financial statements.

(2) File with the department a written and signed plan from the fund's board of trustees describing the actions the fund will take to generate net incomes on subsequent audited financial statements.

(3) Obtain an actuarial rate analysis, if an actuarial rate analysis was not performed for the previous fund year.

§4351.9. Insolvencies

A. In the event the fund is insolvent, then in addition to any other provision of law or rule, the department shall require that the fund files a plan in writing within sixty days from the date that the fund becomes aware of the insolvency and the plan shall be signed by the board of trustees. For the purpose of determining insolvency, assets will not include intangible property, such as patents, trade names, or goodwill. The plan submitted by the fund to eliminate the insolvency shall set forth in detail the means by which the fund intends to eliminate the insolvency, and may include an assessment of the members of the fund. The fund shall also include the timetable for the implementation of the plan and requirements for reporting to the department. The department shall review the plan submitted by the fund and notify the fund of the plan's approval or disapproval within thirty days of the department's receipt of the plan.

B. Upon determination by the department that a plan submitted by the fund is disapproved or that the fund is not implementing a plan in accordance with the terms of the plan, it shall notify the fund in writing of the determination.

C. If the fund fails to file a plan to eliminate an insolvency as called for pursuant to this Section, or if the department notifies the fund that the plan has been disapproved or that the fund is not implementing the plan according to the plan, the...
department shall have the following powers and authority in addition to any other
powers and authority granted under law:

(1) To order the fund to immediately levy an assessment upon its members
in an amount sufficient to eliminate the insolvency.

(2) To levy an assessment, in the name of the fund, upon the members of the
fund sufficient to eliminate the insolvency if the fund fails or refuses to levy the
assessment.

D. (1) In addition to any other powers of the department, in the event that the
group self-insurance fund is insolvent, operating in a hazardous financial condition,
or operating in violation of the requirements of this Part, the department is hereby
expressly authorized to institute delinquency proceedings against the fund, including
entering an order for injunctive relief or placing the fund into administrative
supervision, pursuant to R.S. 22:731, et seq. or into receivership, pursuant to R.S.

(2)(a) The Nineteenth Judicial District Court shall have exclusive jurisdiction
to hear any delinquency proceeding instituted by the department for the failure of the
fund to comply with the approved corrective action plan.

(b) The court may issue an injunction to restrain the fund and its officers,
agents, directors, or employees from transacting any insurance business or disposing
of property until further action by the court. The court may issue any other
injunction as it deems necessary to prevent interference with the proceedings or with
the ability of the department to conduct business, as well as any injunction sought
to protect any assets that are in the control of the department.

(3) The department shall promulgate rules and regulations in accordance
with the Administrative Procedure Act providing for the grounds, conduct, and
procedures applicable to the delinquency proceedings.

E. The distribution of general assets from the estate of the fund shall be

(3) Payment of claims by the federal government other than those claims otherwise prioritized within this Subsection.

(4) Payment of compensation owed to employees of the fund shall be paid in accordance with the applicable provisions of administrative supervision, pursuant to R.S. 22:731, et seq. or receivership, pursuant to R.S. 22:2001, et seq.

(6) Payment of all other claims.

§4351.10. Examination

A. The department shall make an examination, at least once every five years, of the group self-insurance fund established pursuant to this Part doing business in this state, and at any other time when in the opinion of the department it is necessary for such an examination to be made.

B. Upon determining that an examination should be conducted, the department shall appoint one or more examiners to perform the examination and instruct them as to the scope of the examination. In conducting the examination, the examiner or examiners shall observe those guidelines and procedures that the department deems appropriate.

C. Nothing contained in this Part shall be construed to limit the department's authority to use any final or preliminary examination report, any examiner or fund work papers or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action which the department may, in his sole discretion, considers appropriate.

D. Nothing contained in this Part shall be construed to limit the authority of the department to terminate or suspend any examination in order to pursue other
legal or regulatory action pursuant to the applicable laws of this state. Findings of
fact and conclusions made pursuant to any examination shall be prima facie evidence
in any legal or regulatory action.

E. In conducting the examination pursuant to this Section, the department
shall examine the affairs, transactions, accounts, records, documents, and assets of
the authorized group self-insurance fund. For the purpose of ascertaining its
condition or compliance with this Part, the department may, as often as he deems
advisable, examine the accounts, records, documents and transactions of all of the
following:

(1) Any insurance agent, solicitor or broker, but only insofar as the accounts,
records, documents and transactions relate to group self-insurance funds.

(2) Any person having a contract under which he enjoys, in fact, the
exclusive or dominant right to manage or control the group self-insurance fund.

F. The group self-insurance fund being examined, and its officers, trustees,
employees, administrators and representatives, shall produce and make freely
accessible to the department the accounts, records, documents, and files in its
possession or control relating to the subject of the examination, and shall otherwise
facilitate the examination.

G. The department may take depositions, subpoena witnesses or
documentary evidence, administer oaths, and examine under oath any individual
relative to the affairs of the group self-insurance fund being examined. Any person
who testifies falsely or makes any false affidavit during the course of such an
examination shall be guilty of perjury.

H. Whenever the department makes an examination or investigation pursuant
to this Part, all expenses incurred by the department in conducting the examination
or investigation, including the expenses and fees of examiners, auditors, accountants,
actuaries, attorneys, or clerical or other assistants who are employed by the
commissioner to make the examination, shall be paid by the group self-insurance
fund.
I. The department may recover all expenses incurred from the examination or investigation of any person or entity acting as an administrator or third-party administrator in this state for the group self-insurance fund.

J. The department shall employ the examiners, auditors, accountants, actuaries, attorneys, and clerical or other assistants as are necessary to conduct the examination and to compile and prepare a report thereon, and the compensation for such examination shall be fixed according to the time actually devoted to the work, including conducting the examination and compiling the report thereon, as required by law. The compensation shall be reasonable and commensurate with the value of the services performed.

K. Upon completion of the examination of the group self-insurance fund or at stated periods during an examination, the department shall forward to the group self-insurance fund a statement showing the amount of expenses incurred in the examination to the date of the statement. Upon receipt, the group self-insurance fund shall pay the amount of expenses to the department.

L. If the group self-insurance fund considers the amount of expenses billed to it unreasonable or contrary to the provisions of this Part, it may within fifteen days after the receipt of the billing file a rule to show cause in a court of competent jurisdiction upon the department as to the reasonableness and legality under this Part of the amount of expenses billed to it by the department, and the rule shall be tried by preference, and upon appeal, shall be given preference in the appellate court, as provided by the laws of this state for other state cases.

M. If the group self-insurance fund fails or refuses to pay the expenses of examination as billed by the department after fifteen days from the receipt of the billing or after final judgment of the court where a rule has been filed as provided in this Part, then the department may suspend or revoke the certificate of authority of such group self-insurance fund to do business in this state until the full amount of the bill is paid.
§4351.11. Examination reports

A. All examination reports shall be comprised only of facts appearing upon
the books, records, or other documents of the group self-insurance fund or as
ascertained from the testimony of its officers or agents or other persons examined
concerning its affairs, and any conclusions and recommendations the examiners find
reasonably warranted from the facts. The department shall keep confidential all
documents and records associated with the provision of this Section.

B. Not later than sixty days following completion of the examination, the
examiner in charge shall file with the department a verified written report of
examination under oath. Upon receipt of the verified report, the department shall
transmit the report to the fund examined, together with a notice which shall afford
the fund examined a reasonable opportunity, of not more than thirty days, to make
a written submission or rebuttal with respect to any matters contained in the
examination report.

C. Within thirty days of the end of the period allowed for the receipt of
written submissions or rebuttals, the department shall fully consider and review the
report, together with any written submissions or rebuttals and any relevant portions
of the examiner's work papers, and enter an order for one of the following:

(1) Adoption of the examination report as filed, or with modifications or
corrections. If the examination report reveals that the group self-insurance fund is
operating in violation of any law, rule, regulation, or prior order or directive of the
department, the department may order the fund to take any action the department
determines is necessary and appropriate to cure the violation.

(2) Rejection of the examination report with direction to the examiners to
reopen the examination for purposes of obtaining additional documentation, data,
information, and testimony.

D. Within thirty days of rejection by the department of an examination report
in accordance with Paragraph (C)(2) of this Section, unless the department extends
the time for reasonable cause, the examiner in charge shall refile with the department
a verified written report of examination, as may be modified or corrected, under oath.

Upon receipt of the refiled verified report, the department shall transmit the refiled report to the fund examined, together with a notice similar to the notice provided for in Subsection B of this Section, except that the notice shall indicate that the report is a refiled report.

E. Within thirty days of the end of the period allowed for the receipt of written submissions or rebuttals, as provided for in Subsections B and D of this Section, the department shall fully consider and review the refiled report, together with any written submissions or rebuttals and any relevant portions of the work papers of the examiner, and enter an order for one of the following:

(1) Adoption of the examination report as refiled or with modification or corrections. If the refiled examination report reveals that the group self-insurance fund is operating in violation of any law, rule, regulation, or prior order or directive of the department, the department may order the fund to take any action the department considers necessary and appropriate to cure the violation.

(2) Rejection of the examination report and referral of the matter for hearing before an administrative law judge within the division of administrative law in accordance with the provisions of the Administrative Procedure Act, for purposes of obtaining additional documentation, data, information, and testimony.

F. All orders entered pursuant to Paragraph (C)(1) or (E)(1) of this Section shall be accompanied by findings and conclusions resulting from consideration by the department and review of the examination report, relevant examiner work papers, and any written submissions or rebuttals. Any order shall be served upon the fund by certified mail, together with a copy of the adopted examination report. Within thirty days of the issuance of the adopted report, the trustees of the group self-insurance fund shall state, under oath, that they have received a copy of the adopted report and related orders.

G. Within thirty days of receiving notification of the department's order pursuant to Subsection F of this Section, the fund may make written demand for an
administrative law hearing in accordance with the provisions of the Administrative
Procedure Act.

H.(1) The hearing provided for under Subsection G of this Section shall be
conducted as required by the Administrative Procedure Act. At the conclusion of the
hearing, the administrative law judge shall enter an order adopting the examination
report as filed, or subsequently filed again with modifications or corrections, and
may order the fund to take any action that the department considers necessary and
appropriate to cure any violation of any law, regulation, or prior order or directive
of the department.

(2) The division of administrative law shall issue the order within thirty days
after the conclusion of the hearing and shall give a copy of the order to each person
to whom notice of the hearing was given or required to be given.

I.(1) Upon the adoption of the examination report under Paragraph (C)(1) or
(E)(1) or Subsection H of this Section, the department shall continue to hold the
content of the examination report as private and confidential information for a period
not to exceed thirty consecutive days, unless the provisions of R.S. 3:4351.10(C) and
Subsection B of this Section apply. Thereafter, the department may open the report
for public inspection provided no court of competent jurisdiction has stayed its
publication.

(2) Notwithstanding any provision of law to the contrary, nothing shall
prevent, or be construed as prohibiting, the department from disclosing the content
of an examination report, preliminary examination report or results, or any matter
relating thereto, to the insurance department of this or any other state or country, or
to law enforcement officials of this or any other state or agency of the federal
government at any time, provided the agency or office receiving the report or matters
relating thereto agrees, in writing, to hold it confidential and in a manner consistent
with this Part.

result of any examination, he may initiate any proceedings or actions as provided by
law.

        J. All work papers, recorded information, and documents, as well as all
copies thereof produced by, obtained by, or disclosed to the department, or any other
person, in the course of an examination made under this Part, or pursuant to the
authority of the commissioner under this Part, shall be given confidential treatment
and are not subject to subpoena and may not be made public by the department or
any other person, unless the provisions of R.S. 3:4351.10(C) and Subsection I of this
Section apply. The parties shall agree, in writing prior to receiving the information,
to provide to it the same confidential treatment as required by this Section, unless the
prior written consent of the fund to which it pertains has been obtained.

        K.(1) No examiner may be appointed by the department if that examiner,
either directly or indirectly, has a conflict of interest or is affiliated with the
management of or owns a pecuniary interest in any person or entity subject to
examination under this Part.

        (2) Notwithstanding the requirements of this Section, the department may
retain from time to time, on an individual basis, qualified actuaries, certified public
accountants, or other similar individuals who are independently practicing their
professions, even though those persons may from time to time be similarly employed
or retained by persons subject to examination under this Part.

        L.(1) No cause of action shall arise nor shall any liability be imposed against
the department, the authorized representative of the department, or any examiner
appointed by the department for any statement made or conduct performed in good
faith while carrying out the provisions of this Part.

        (2) No cause of action shall arise, nor shall any liability be imposed, against
any person for the act of communicating or delivering information or data to the
department, or the authorized representative of the department, or an examiner,
pursuant to an examination made under this Part, if that act of communication or
delivery was performed in good faith and without fraudulent intent or the intent to
deceive.

M.(1) In addition to those examinations performed by the department pursuant to R.S. 3:4351.10, the department shall conduct financial reviews of the group self-insurance fund. The reviews shall include the audited financial statements of the group self-insurance fund rendered pursuant to generally acceptable accounting principles, results of prior examinations and office reviews, management changes, consumer complaints, and any other relevant information as from time to time may be required by the department.

(2) Failure by the group self-insurance fund to supply information requested by the department during the course of a financial review shall subject the group self-insurance fund to revocation or suspension of its license or, in lieu thereof, a fine not to exceed ten thousand dollars per occurrence.

(3) All work papers, recorded information, and documents as well as all copies thereof produced by, obtained by, or disclosed to the department, or any other person in the course of conducting a financial review shall be given confidential treatment and are not subject to subpoena and may not be made public by the department or any other person, except that any access may be granted to insurance departments of other states, international, federal or state law enforcement agencies or international, federal, or state regulatory agencies with statutory oversight over the financial services industry, if the recipient agrees to maintain the confidentiality of those documents which are confidential under the laws of this state.

(4) In conducting financial reviews, the examiner or examiners shall observe those guidelines and procedures as the department may deem appropriate.

(5) Nothing contained in this Part shall be construed to limit the department's authority to use any final or preliminary analysis findings, any department or fund work papers or other documents, or any other information discovered or developed during the course of any analysis in the furtherance of any legal or regulatory action.
(6) The group self-insurance fund against whom a fine has been levied shall be given ten days notice of such action. Upon receipt of this notice, the aggrieved party may apply for and shall be entitled to an administrative hearing pursuant to the Administrative Procedure Act.

(2) Materially misrepresent to the department, or any employee, trustee, or administrator of the department, the value of any asset or the amount of any liability of the group self-insurance fund, or any affiliate, subsidiary, or holding fund associated therewith, provided that with regard to a material misrepresentation of the value of any asset or liability, any deviation from the actual value of such assets or liabilities shall be considered a misrepresentation.

group self-insurance fund, or affiliate, subsidiary, or holding company associated
therewith when such disclosure is properly requested or required in writing by an
examiner or administrator of the department.

(4) Materially misrepresent, withhold, deny access to, or otherwise preclude
the obtainment of any information properly requested in writing and in accordance
with provisions of law affecting dissemination or disclosure of information by
specific institutions by an examiner or administrator of the department, which is
material and relevant to an examination properly conducted by the department and
examiners and administrators of the department.

B. Whoever violates any provision of this Section, upon conviction, shall be
fined by the court not more than fifty thousand dollars, or imprisoned with or without
hard labor for not more than five years, or both.

§4351.14. Departmental complaint directives; failure to comply; fines; hearing

A. Any person subject to the regulatory authority of the department who fails
to comply with any directive issued by the department in connection with a
consumer complaint shall be fined an amount not to exceed two hundred fifty dollars
for each occurrence.

B. Any person against whom a fine has been levied shall be given ten days
notice of the action. Upon receipt of this notice, the person aggrieved may apply for
and shall be entitled to an administrative hearing conducted in accordance with the
provisions of the Administrative Procedure Act.

§4351.15. Dissolution

A. If the fund chooses to dissolve, it shall apply to the department for the
authority to dissolve. An application to dissolve shall be on a form prescribed by the
department and shall be approved or disapproved by the department within sixty
days of receipt.

B. The dissolution of the fund without authorization is prohibited and shall
not absolve or release the fund, a member, or any person or entity which has
executed an indemnity agreement from the fund's or person's obligations incurred or
entered into prior to the dissolution of the fund.

C. An application to dissolve shall be granted if either of the following
conditions is met:

(1) The fund has no outstanding liabilities including incurred but not
reported liabilities.

(2) The fund is covered by an irrevocable commitment from a licensed
insurer which provides for payment of all outstanding liabilities and for providing
all related services, including payment of claims, preparation of reports, and
administration of transactions associated with the period during which the plan
provided coverage.

liabilities and indebtedness, the assets of the fund shall be distributed to all
employers participating in the fund pursuant to a distribution plan submitted by the
fund to the department and approved by the department.

§4351.16. Exclusive use of expirations

A. (1) Except as otherwise provided in this Section, for purposes of soliciting,
selling, or negotiating the renewal or sale of group self-insurance coverage, products,
or insurance services, an insurance agent or insurance broker shall have the exclusive
use of expirations, records, or other written or electronic information directly related
to the group self-insurance application submitted by or the group self-insurance
policy written through an insurance agent or insurance broker. The group self-
insurance fund shall not use expirations, records, or other written or electronic
information to solicit, sell, or negotiate the renewal or sale of insurance coverage,
insurance products, or insurance services to the insured, either directly or by
providing such information to others, without the express written consent of the insurance agent or insurance broker.

(2) The expirations, records, or other written or electronic information may be used to review the group self-insurance application, to issue a policy, or for any other purpose necessary for placing such business through the insurance producer. The expirations, records, or other written or electronic information may also be used for any other purpose which does not involve the soliciting, selling, or negotiating the renewal or sale of group self-insurance coverage, products, or services.

B. This Section shall not apply:

(1) When the insured requests, individually or through an insurance producer that the group self-insurance company renew the policy or write other insurance business.

(2) When the insurance agent has, by contract, agreed to act exclusively for one company or group of affiliated companies, in which case the rights of the agent shall be determined by the terms of the agent's contract with that company or affiliated group.

(3) When the insurance producer is in default for nonpayment of premiums under the insurance agent's or insurance broker's contract or other agreement with the group self-insurer, unless there is a legitimate dispute as to monies owed.

(4) When the agency contract is terminated and the insurance company is required by law to continue coverage for the insured, in which event the insurance company shall continue to pay the insurance agent or the insurance broker commissions on such policies that the company is required to renew during the thirty-six-month period following the effective date of the termination. The commission shall be at the insurer's prevailing commission rates in effect on the date of renewal for that class or line of business in effect on the date of renewal for brokers or agents whose contracts are not terminated.

C. The insurance producer and insurer may in a written agreement separate from the agency contract, mutually agree to terms different from the provisions set
forth in this Section. The terms of any such agreement shall be negotiated in good
faith between the parties.

D.(1) The department may adopt rules, in accordance with the
Administrative Procedure Act, to enforce the provisions of this Section, and any
violation of this Section or the rules adopted pursuant to this Section shall be subject
to regulation by the department under R.S. 3:4351.5.

(2) In addition, the insurance producer shall have a right to a claim for lost
commissions. The claim shall be resolved in accordance with the dispute resolution
terms in the applicable contract or agreement. In the absence of any dispute
resolution terms, the parties shall attempt to resolve their dispute through mediation.
If the claim is not resolved through mediation, the claim may be resolved through
binding arbitration if the parties agree. In the absence of an agreement to resolve the
claim through binding arbitration, the insurance producer may maintain an action for
lost commissions.

(3) Except as provided in Subsection B of this Section, nothing in this
Section shall be interpreted as impairing any rights in law or contract currently
enjoyed by any party.

HB 1078 Original 2022 Regular Session Seabaugh

Abstract: Authorizes the creation of self-insurance funds for the purpose of providing auto
insurance for vehicles which transport timber and agriculture products.

Proposed law authorizes the creation of a self-insurance fund for the purpose of providing
auto coverage for vehicles that transport timber and agriculture products.

Proposed law provides that any five or more La. timber or agriculture companies, who are
not public entities, each of whom has a positive net worth and is financially solvent, may
pool their liabilities and self-insure for the purposes of maintaining automobile coverage for
timber and agriculture transportation vehicles. Proposed law provides that members of the
fund must also be members of one or more bona fide trade or professional associations.

Proposed law defines "bona fide trade or professional association" as an active trade or
professional association that promotes La. timber or agriculture production, is charted and

CODING: Words in struck through type are deletions from existing law; words underscored
are additions.
domiciled in Louisiana, has been in existence and conducted regular meetings for at least five years, and is not established for the primary purpose of operating a self-insured fund.

Proposed law provides that no fund can become operative until the fund is issued a certificate of authority by the Dept. of Insurance after the department has approved the application for the fund and the documents required to establish solvency and the ability to properly manage and pay claims.

Proposed law provides that no person may solicit membership for a fund unless they are licensed by the department as a licensed insurance producer. Proposed law sets forth requirements for insurance producers who solicit membership for the fund and for the payment of commissions.

Proposed law provides that the rates for coverage, or the costs of premiums, that may be charged to the members must be in an amount that is actuarially justified. Proposed law further provides that once the rate filing is made to the department, the premium rates may be charged to the members of the fund for automobile coverage within 90 days after the rate filing is made.

Proposed law provides that, in order to maintain financial stability of the fund, the Dept. of Insurance is to require two or more timber or agriculture companies to maintain a combined net worth of $1,000,000 or five or more principals of the member companies to maintain a combined net worth of $1,000,000. Proposed law further provides that financial statements must not be more than one year old when submitted to the department of insurance for approval of the self-insurance fund. Proposed law requires further security in the form of excess insurance or reinsurance in an amount and in form that is approved by the Dept. of Insurance to insure the ability to properly manage and pay claims.

Proposed law provides that to further the financial stability of the self-insured fund, the members will pay a percentage over and above their premiums to establish a reserve account. Proposed law further provides that the reserve account will be maintained at all times while the self-insured fund is in operation and no payments can be made from the reserve account unless approved by the department.

Proposed law provides that, if the fund employs one or more third-party administrators, each third-party administrator of the fund must post a bond. Proposed law provides that, if the fund employs its own administrator, the fund is required to purchase a bond, errors and omission's insurance, or other security that is approved by the Dept. of Insurance.

Proposed law provides that a self-insurer's fund must obtain a minimum of $750,000 in premiums in the fund for the first year and $2,000,000 in premiums for each year thereafter.

Proposed law provides for agreements to pool liabilities to be set forth in the indemnity agreement or other instruments. Proposed law provides for annual premium audits to be conducted by an independent audit firm that is approved by the department.

Proposed law provides for proper audits by the fund in a form that is acceptable to the department. Proposed law does not prohibit the legislative auditor from also reviewing the records and conducting an audit of the fund.

Proposed law provides that each member must sign mutual indemnity agreements to cover the risk of liability covered by the fund and copies of the agreements will be presented to the Dept. of Insurance when the application is made for approval of the fund. Proposed law provides that proof of advanced payments to the fund of at least 25% of each member's first year estimated annual earned premiums must be provided with the application.

Proposed law provides that monies deposited into the fund may be invested in certain interest-bearing or interest-accruing investments and in certain bonds and securities that are
publicly traded or have a certain minimum rating with Moody's, Standard and Poor's, or Fitch.

Proposed law further provides that the department may impose fines and penalties for failure to comply with requirements to operate the fund as required by proposed law. Proposed law further provides that the department may revoke the authority to operate the fund or issue cease and desist orders if the requirements of proposed law are not maintained by the fund and its members.

Proposed law provides for standards to which self-insurers must adhere and provides for authority for the department to take action when a self-insurer is in hazardous financial condition.

Proposed law provides that any administrative hearing that is necessary to resolve a dispute related to the regulation of the fund is to be conducted by the division of administrative law in accordance with present law.

Proposed law provides that, if the fund becomes insolvent, the Dept. of Insurance will require the fund to submit a plan to take necessary action to restore solvency and the plan must be approved by the department. Proposed law provides that, if the fund cannot be restored, the Dept. of Insurance is authorized by proposed law to execute delinquency proceedings and place the fund into confidential administrative supervision, conservation, rehabilitation, or liquidation. Proposed law further provides that the 19th Judicial District Court has exclusive jurisdiction to hear any delinquency proceeding instituted by the department for the failure of a fund to comply with the approved corrective action plan and the court may issue an injunction to restrain the fund and its officers, agents, directors, or employees from transacting any insurance business or disposing of property until further action by the court.

Proposed law provides that an examination of the fund is to be made by the department at least every five years. Proposed law provides that the examiners are to be appointed by the department, who is to instruct them on the scope of the examination in order to determine if the fund is operating in compliance with proposed law, and the examiners expenses are to be paid by the fund.

Proposed law provides that the department may employ investigators to investigate complaints received against a fund that is approved to operate under proposed law or against any unauthorized group self-insurance fund that is reported to be operating in this state.

Proposed law provides that a fund wishing to dissolve may apply to the department. Proposed law further provides the requirements for the dissolution of the fund, including the requirements for payment of future claims and the methods to secure future obligations of the fund.

Effective August 1, 2022.
