

1 who are looking to change careers, and outreach initiatives and access to computers, these  
2 resources are limited and in the case of computers, provided on a first-come, first-served  
3 basis; and

4 WHEREAS, to bring Louisiana workers into the twenty-first century and keep the  
5 state competitive, the state must recognize technological advancements and opportunities  
6 that are currently changing and shaping the workforce; and

7 WHEREAS, the state must also recognize that remote job opportunities are gradually  
8 becoming the norm and the way of the future; and

9 WHEREAS, the Louisiana Workforce Commission is tasked with overseeing  
10 workforce development in this state, which includes providing web-based job search  
11 assistance, job search workshops, community resources information, and education and  
12 training information; and

13 WHEREAS, to ensure that this state is not limiting its own workforce development  
14 and to ensure that workers throughout this great state are not being excluded from all job  
15 opportunities afforded to them, the state needs to examine the possibility of creating  
16 facilities that would provide remote work stations.

17 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
18 urge and request the Louisiana Workforce Commission to research funding the feasibility  
19 of creating facilities that will provide remote work stations in order to stimulate the  
20 workforce development in this state.

21 BE IT FURTHER RESOLVED that the Louisiana Workforce Commission shall  
22 make a written report of its findings and recommendations, with suggestions for proposed  
23 legislation, if any, to the Legislature of Louisiana not later than January 1, 2023.

24 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the  
25 secretary of the Louisiana Workforce Commission.

HCR 85 Engrossed

2022 Regular Session

Travis Johnson

Requests the La. Workforce Commission to research funding the feasibility of creating facilities that provide virtual workshops and training and remote work stations in order to stimulate workforce development.

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Labor and Industrial Relations to the original bill:

1. Make technical changes.
2. Change the request of the La. Workforce Commission from studying the feasibility of creating facilities that would stimulate workforce development to a request to research funding the feasibility of creating these facilities.
3. Delete the request for the La. Workforce Commission to examine the possibility of creating facilities that would provide virtual workshops and training.
4. Delete provisions that require the La. Workforce Commission to study the number of remote workers and remote job opportunities in the state, any advantages and disadvantages of creating the facilities, and the financial impact of operating the facilities that would provide job training, virtual workshops, and remote work stations.
