SB 467 Reengrossed DIGEST Carter
2022 Regular Session

Proposed law provides for the following legislative findings and declarations:

- (1) That passenger rail service between Baton Rouge and New Orleans is supported by current federal policy and the Infrastructure Investment and Jobs Act of 2021.
- (2) That passenger rail connecting Baton Rouge and New Orleans is a key project for 2021.
- (3) That there is strong support for region-wide passenger rail.
- (4) That passenger rail along the Interstate 20 corridor between Marshall, Texas and Meridian, Mississippi is supported by current federal policy and the Infrastructure Investment and Jobs Act of 2021.
- (5) That the Northwest Louisiana Council of Governments found strong support for the passenger rail service along the Interstate 20 corridor.
- (6) That the department of transportation will work with neighboring states, participate in the Southern Rail Commission on both passenger and freight initiatives, support the improvement of existing Amtrak services and Amtrak stations, and support the development of new intercity rail initiatives.
- (7) That now is the ideal time to explore the opportunity to electrify passenger rail.

Proposed law further provides the department shall prepare the scope schedule and budget to secure all necessary approvals and permits to begin passenger rail service between Baton Rouge and New Orleans.

Proposed law provides the department may apply for grants and other funds typical for passenger rail, as appropriate, and to facilitate development of the necessary platforms or stations to support passenger service.

Effective upon signature of the governor or lapse of time for gubernatorial action.
