EXPENDITURE EXPLANATION

The proposed legislation is anticipated to result in an indeterminable, but minimal, increase in SGF expenditures associated with legislative per diems and travel reimbursements.

This resolution establishes a joint committee to study tax incentives and rebates. The committee consists of 6 legislators. If the committee meets outside of a legislative session, then the cost per meeting is anticipated to be \$1,008 (\$168 legislative per diem x 6 members) plus travel expenses.

The LFO, LLA, and staffs of the House of Representatives, Senate, and other agencies will likely absorb any additional duties with existing staff and resources.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
