18 member, officer, director, or employee of the fund failed to comply with the
19 provisions of this Part, any applicable laws relating to the fund, or any rule
20 promulgated by the department or order or directive issued by the department, the
21 department may levy a fine not to exceed two thousand dollars for each violation.
22 If the conduct for which a previous fine was levied by the department is committed
23 again, the department may levy a fine not to exceed four thousand dollars. The
24 enforcement of any fine and any appeal from a fine shall be conducted in accordance
25 with the Administrative Procedure Act.

26 F. The division of administrative law shall conduct a hearing in accordance
27 with R.S. 22:2191.

4 to any other authority the department holds.

5 (2) The corrective action plan shall be submitted by the fund to the
6 department for its approval and include standards, time frames, and other parameters
7 acceptable to the department. Any corrective action plan that is submitted to the

3 membership for the fund is not the primary duty of the employee.

4 B. No action shall lie against an insurance producer or other person involved
5 in the marketing, selling, or solicitation of participation in the fund authorized by this
6 Part for any claims arising out of the insolvency of the fund or the inability of the
7 fund to pay claims as the claims become due unless and until any claimant shall have
8 first exhausted all remedies available to him against the members of the fund as
9 provided by this Part.

10 §4351.7. Rates; filing; review of rate determination

11 A. The fund shall file rates on an actuarially justified basis with the
12 department and may use the rates ninety days after filing, unless the department
13 disapproves the use of rates within the ninety-day period.

14 B. The fund shall provide a reasonable procedure for any member aggrieved
15 by the fund to request in written form a review of the application of the rating system
16 for the coverage afforded by the fund. The fund shall have thirty days from receipt
17 to grant or deny the request in written form. If the fund rejects the request or fails
18 to grant or reject the request within the thirty-day period, the member may, within
19 thirty days of the expiration of the thirty-day period, appeal to the division of

21 Administrative Procedure Act. After the hearing, the administrative law judge may
22 affirm, modify, or reverse the action taken by the fund.

23 §4351.8. Consecutive net losses

24 If the fund has three years of consecutive net losses on the audited financial
25 statements of the fund, or two years of consecutive net losses on the audited financial

28 authorized representative of the fund shall:

1 (1) Attend a meeting with the department, the administrator of the fund, any
2 third-party administrator contracted or performing services for the fund, and the

5 subsequent audited financial statements.

6 (2) File with the department a written and signed plan from the fund's board
7 of trustees describing the actions the fund will take to generate net incomes on
8 subsequent audited financial statements.

9 (3) Obtain an actuarial rate analysis, if an actuarial rate analysis was not
10 performed for the previous fund year.

11 §4351.9. Insolvencies

12 A. In the event the fund is insolvent, then in addition to any other provision
13 of law or rule, the department shall require that the fund files a plan in writing within
14 sixty days from the date that the fund becomes aware of the insolvency and the plan
15 shall be signed by the board of trustees. For the purpose of determining insolvency,
16 assets will not include intangible property, such as patents, trade names, or goodwill.
17 The plan submitted by the fund to eliminate the insolvency shall set forth in detail
18 the means by which the fund intends to eliminate the insolvency, and may include
19 an assessment of the members of the fund. The fund shall also include the timetable
20 for the implementation of the plan and requirements for reporting to the department.
21 The department shall review the plan submitted by the fund and notify the fund of
22 the plan's approval or disapproval within thirty days of the department's receipt of
23 the plan.

24 B. Upon determination by the department that a plan submitted by the fund
25 is disapproved or that the fund is not implementing a plan in accordance with the
26 terms of the plan, it shall notify the fund in writing of the determination.

27 C. If the fund fails to file a plan to eliminate an insolvency as called for
28 pursuant to this Section, or if the department notifies the fund that the plan has been
29 disapproved or that the fund is not implementing the plan according to the plan, the

1 department shall have the following powers and authority in addition to any other
2 powers and authority granted under law:

3 (1) To order the fund to immediately levy an assessment upon its members
4 in an amount sufficient to eliminate the insolvency.

5 (2) To levy an assessment, in the name of the fund, upon the members of the
6 fund sufficient to eliminate the insolvency if the fund fails or refuses to levy the
7 assessment.

8 D.(1) In addition to any other powers of the department, in the event that the
9 group self-insurance fund is insolvent, operating in a hazardous financial condition,
10 or operating in violation of the requirements of this Part, the department is hereby
11 expressly authorized to institute delinquency proceedings against the fund, including
12 entering an order for injunctive relief or placing the fund into administrative
13 supervision, pursuant to R.S. 22:731, et seq. or into receivership, pursuant to R.S.
14 22:2001, et seq.

15 (2)(a) The Nineteenth Judicial District Court shall have exclusive jurisdiction
16 to hear any delinquency proceeding instituted by the department for the failure of the
17 fund to comply with the approved corrective action plan.

18 (b) The court may issue an injunction to restrain the fund and its officers,
19 agents, directors, or employees from transacting any insurance business or disposing
20 of property until further action by the court. The court may issue any other
21 injunction as it deems necessary to prevent interference with the proceedings or with
22 the ability of the department to conduct business, as well as any injunction sought
23 to protect any assets that are in the control of the department.

24 (3) The department shall promulgate rules and regulations in accordance
25 with the Administrative Procedure Act providing for the grounds, conduct, and
26 procedures applicable to the delinquency proceedings.

27 E. The distribution of general assets from the estate of the fund shall be
28 prioritized as follows:

29 (1) The department's costs and expenses of administration.

5 otherwise prioritized within this Subsection.

6 (4) Payment of compensation owed to employees of the fund shall be paid
7 in accordance with the applicable provisions of administrative supervision, pursuant
8 to R.S. 22:731, et seq. or receivership, pursuant to R.S. 22:2001, et seq.

9 (5) Payment of claims for unearned premiums or other premium refunds and
10 claims of general creditors, including claims of any ceding and assuming company
11 in their capacity as such.

12 (6) Payment of all other claims.

13 §4351.10. Examination

14 A. The department shall make an examination, at least once every five years,
15 of the group self-insurance fund established pursuant to this Part doing business in
16 this state, and at any other time when in the opinion of the department it is necessary
17 for such an examination to be made.

18 B. Upon determining that an examination should be conducted, the
19 department shall appoint one or more examiners to perform the examination and
20 instruct them as to the scope of the examination. In conducting the examination, the
21 examiner or examiners shall observe those guidelines and procedures that the
22 department deems appropriate.

23 C. Nothing contained in this Part shall be construed to limit the department's
24 authority to use any final or preliminary examination report, any examiner or fund
25 work papers or other documents, or any other information discovered or developed
26 during the course of any examination in the furtherance of any legal or regulatory
27 action which the department may, in his sole discretion, considers appropriate.

28 D. Nothing contained in this Part shall be construed to limit the authority of
29 the department to terminate or suspend any examination in order to pursue other

1 legal or regulatory action pursuant to the applicable laws of this state. Findings of
2 fact and conclusions made pursuant to any examination shall be prima facie evidence
3 in any legal or regulatory action.

4 E. In conducting the examination pursuant to this Section, the department
5 shall examine the affairs, transactions, accounts, records, documents, and assets of
6 the authorized group self-insurance fund. For the purpose of ascertaining its
7 condition or compliance with this Part, the department may, as often as it deems
8 advisable, examine the accounts, records, documents and transactions of all of the
9 following:

10 (1) Any insurance agent, solicitor or broker, but only insofar as the accounts,
11 records, documents and transactions relate to group self-insurance funds.

12 (2) Any person having a contract under which he enjoys, in fact, the
13 exclusive or dominant right to manage or control the group self-insurance fund.

14 F. The group self-insurance fund being examined, and its officers, trustees,
15 employees, administrators and representatives, shall produce and make freely
16 accessible to the department the accounts, records, documents, and files in its
17 possession or control relating to the subject of the examination, and shall otherwise
18 facilitate the examination.

19 G. The department may take depositions, subpoena witnesses or
20 documentary evidence, administer oaths, and examine under oath any individual
21 relative to the affairs of the group self-insurance fund being examined. Any person
22 who testifies falsely or makes any false affidavit during the course of such an
23 examination shall be guilty of perjury.

24 H. Whenever the department makes an examination or investigation pursuant
25 to this Part, all expenses incurred by the department in conducting the examination
26 or investigation, including the expenses and fees of examiners, auditors, accountants,
27 actuaries, attorneys, or clerical or other assistants who are employed by the
28 commissioner to make the examination, shall be paid by the group self-insurance
29 fund.

1 I. The department may recover all expenses incurred from the examination
2 or investigation of any person or entity acting as an administrator or third-party
3 administrator in this state for the group self-insurance fund.

4 J. The department shall employ the examiners, auditors, accountants,
5 actuaries, attorneys, and clerical or other assistants as are necessary to conduct the
6 examination and to compile and prepare a report thereon, and the compensation for
7 such examination shall be fixed according to the time actually devoted to the work,
8 including conducting the examination and compiling the report thereon, as required
9 by law. The compensation shall be reasonable and commensurate with the value of
10 the services performed.

11 K. Upon completion of the examination of the group self-insurance fund or
12 at stated periods during an examination, the department shall forward to the group
13 self-insurance fund a statement showing the amount of expenses incurred in the
14 examination to the date of the statement. Upon receipt, the group self-insurance fund
15 shall pay the amount of expenses to the department.

16 L. If the group self-insurance fund considers the amount of expenses billed
17 to it unreasonable or contrary to the provisions of this Part, it may within fifteen days
18 after the receipt of the billing file a rule to show cause in a court of competent
19 jurisdiction upon the department as to the reasonableness and legality under this Part
20 of the amount of expenses billed to it by the department, and the rule shall be tried
21 by preference, and upon appeal, shall be given preference in the appellate court, as
22 provided by the laws of this state for other state cases.

23 M. If the group self-insurance fund fails or refuses to pay the expenses of
24 examination as billed by the department after fifteen days from the receipt of the
25 billing or after final judgment of the court where a rule has been filed as provided in
26 this Part, then the department may suspend or revoke the certificate of authority of
27 such group self-insurance fund to do business in this state until the full amount of the
28 bill is paid.

1 §4351.11. Examination reports

2 A. All examination reports shall be comprised only of facts appearing upon
3 the books, records, or other documents of the group self-insurance fund or as
4 ascertained from the testimony of its officers or agents or other persons examined
5 concerning its affairs, and any conclusions and recommendations the examiners find
6 reasonably warranted from the facts. The department shall keep confidential all
7 documents and records associated with the provision of this Section.

8 B. Not later than sixty days following completion of the examination, the
9 examiner in charge shall file with the department a verified written report of
10 examination under oath. Upon receipt of the verified report, the department shall
11 transmit the report to the fund examined, together with a notice which shall afford
12 the fund examined a reasonable opportunity, of not more than thirty days, to make
13 a written submission or rebuttal with respect to any matters contained in the
14 examination report.

15 C. Within thirty days of the end of the period allowed for the receipt of
16 written submissions or rebuttals, the department shall fully consider and review the
17 report, together with any written submissions or rebuttals and any relevant portions
18 of the examiner's work papers, and enter an order for one of the following:

19 (1) Adoption of the examination report as filed, or with modifications or
20 corrections. If the examination report reveals that the group self-insurance fund is
21 operating in violation of any law, rule, regulation, or prior order or directive of the
22 department, the department may order the fund to take any action the department
23 determines is necessary and appropriate to cure the violation.

24 (2) Rejection of the examination report with direction to the examiners to
25 reopen the examination for purposes of obtaining additional documentation, data,
26 information, and testimony.

27 D. Within thirty days of rejection by the department of an examination report
28 in accordance with Paragraph (C)(2) of this Section, unless the department extends
29 the time for reasonable cause, the examiner in charge shall refile with the department

1 a verified written report of examination, as may be modified or corrected, under oath.
2 Upon receipt of the refiled verified report, the department shall transmit the refiled
3 report to the fund examined, together with a notice similar to the notice provided for
4 in Subsection B of this Section, except that the notice shall indicate that the report
5 is a refiled report.

6 E. Within thirty days of the end of the period allowed for the receipt of
7 written submissions or rebuttals, as provided for in Subsections B and D of this
8 Section, the department shall fully consider and review the refiled report, together
9 with any written submissions or rebuttals and any relevant portions of the work
10 papers of the examiner, and enter an order for one of the following:

11 (1) Adoption of the examination report as refiled or with modification or
12 corrections. If the refiled examination report reveals that the group self-insurance
13 fund is operating in violation of any law, rule, regulation, or prior order or directive
14 of the department, the department may order the fund to take any action the
15 department considers necessary and appropriate to cure the violation.

16 (2) Rejection of the examination report and referral of the matter for hearing
17 before an administrative law judge within the division of administrative law in
18 accordance with the provisions of the Administrative Procedure Act, for purposes of
19 obtaining additional documentation, data, information, and testimony.

20 F. All orders entered pursuant to Paragraph (C)(1) or (E)(1) of this Section
21 shall be accompanied by findings and conclusions resulting from consideration by
22 the department and review of the examination report, relevant examiner work papers,
23 and any written submissions or rebuttals. Any order shall be served upon the fund
24 by certified mail, together with a copy of the adopted examination report. Within
25 thirty days of the issuance of the adopted report, the trustees of the group self-
26 insurance fund shall state, under oath, that they have received a copy of the adopted
27 report and related orders.

28 G. Within thirty days of receiving notification of the department's order
29 pursuant to Subsection F of this Section, the fund may make written demand for an

1 administrative law hearing in accordance with the provisions of the Administrative
2 Procedure Act.

3 H.(1) The hearing provided for under Subsection G of this Section shall be
4 conducted as required by the Administrative Procedure Act. At the conclusion of the
5 hearing, the administrative law judge shall enter an order adopting the examination
6 report as filed, or subsequently filed again with modifications or corrections, and
7 may order the fund to take any action that the department considers necessary and
8 appropriate to cure any violation of any law, regulation, or prior order or directive
9 of the department.

10 (2) The division of administrative law shall issue the order within thirty days
11 after the conclusion of the hearing and shall give a copy of the order to each person
12 to whom notice of the hearing was given or required to be given.

13 I.(1) Upon the adoption of the examination report under Paragraph (C)(1) or
14 (E)(1) or Subsection H of this Section, the department shall continue to hold the
15 content of the examination report as private and confidential information for a period
16 not to exceed thirty consecutive days, unless the provisions of R.S. 3:4351.10(C) and
17 Subsection B of this Section apply. Thereafter, the department may open the report
18 for public inspection provided no court of competent jurisdiction has stayed its
19 publication.

20 (2) Notwithstanding any provision of law to the contrary, nothing shall
21 prevent, or be construed as prohibiting, the department from disclosing the content
22 of an examination report, preliminary examination report or results, or any matter
23 relating thereto, to the insurance department of this or any other state or country, or
24 to law enforcement officials of this or any other state or agency of the federal
25 government at any time, provided the agency or office receiving the report or matters
26 relating thereto agrees, in writing, to hold it confidential and in a manner consistent
27 with this Part.

1 (3) If the department determines that regulatory action is appropriate as a
2 result of any examination, he may initiate any proceedings or actions as provided by
3 law.

4 J. All work papers, recorded information, and documents, as well as all
5 copies thereof produced by, obtained by, or disclosed to the department, or any other
6 person, in the course of an examination made under this Part, or pursuant to the
7 authority of the commissioner under this Part, shall be given confidential treatment
8 and are not subject to subpoena and may not be made public by the department or
9 any other person, unless the provisions of R.S. 3:4351.10(C) and Subsection I of this
10 Section apply. The parties shall agree, in writing prior to receiving the information,
11 to provide to it the same confidential treatment as required by this Section, unless the
12 prior written consent of the fund to which it pertains has been obtained.

13 K.(1) No examiner may be appointed by the department if that examiner,
14 either directly or indirectly, has a conflict of interest or is affiliated with the
15 management of or owns a pecuniary interest in any person or entity subject to
16 examination under this Part.

17 (2) Notwithstanding the requirements of this Section, the department may
18 retain from time to time, on an individual basis, qualified actuaries, certified public
19 accountants, or other similar individuals who are independently practicing their
20 professions, even though those persons may from time to time be similarly employed
21 or retained by persons subject to examination under this Part.

22 L.(1) No cause of action shall arise nor shall any liability be imposed against
23 the department, the authorized representative of the department, or any examiner
24 appointed by the department for any statement made or conduct performed in good
25 faith while carrying out the provisions of this Part.

26 (2) No cause of action shall arise, nor shall any liability be imposed, against
27 any person for the act of communicating or delivering information or data to the
28 department, or the authorized representative of the department, or an examiner,
29 pursuant to an examination made under this Part, if that act of communication or

1 delivery was performed in good faith and without fraudulent intent or the intent to
2 deceive.

3 M.(1) In addition to those examinations performed by the department
4 pursuant to R.S. 3:4351.10, the department shall conduct financial reviews of the
5 group self-insurance fund. The reviews shall include the audited financial statements
6 of the group self-insurance fund rendered pursuant to generally acceptable
7 accounting principles, results of prior examinations and office reviews, management
8 changes, consumer complaints, and any other relevant information as from time to
9 time may be required by the department.

10 (2) Failure by the group self-insurance fund to supply information requested
11 by the department during the course of a financial review shall subject the group self-
12 insurance fund to revocation or suspension of its license or, in lieu thereof, a fine not
13 to exceed ten thousand dollars per occurrence.

14 (3) All work papers, recorded information, and documents as well as all
15 copies thereof produced by, obtained by, or disclosed to the department, or any other
16 person in the course of conducting a financial review shall be given confidential
17 treatment and are not subject to subpoena and may not be made public by the
18 department or any other person, except that any access may be granted to insurance
19 departments of other states, international, federal or state law enforcement agencies
20 or international, federal, or state regulatory agencies with statutory oversight over the
21 financial services industry, if the recipient agrees to maintain the confidentiality of
22 those documents which are confidential under the laws of this state.

23 (4) In conducting financial reviews, the examiner or examiners shall observe
24 those guidelines and procedures as the department may deem appropriate.

25 (5) Nothing contained in this Part shall be construed to limit the department's
26 authority to use any final or preliminary analysis findings, any department or fund
27 work papers or other documents, or any other information discovered or developed
28 during the course of any analysis in the furtherance of any legal or regulatory action.

1 (6) The group self-insurance fund against whom a fine has been levied shall
2 be given ten days notice of such action. Upon receipt of this notice, the aggrieved
3 party may apply for and shall be entitled to an administrative hearing pursuant to the
4 Administrative Procedure Act.

5 N. Nothing in this Section shall prohibit the legislative auditor from
6 reviewing records and conducting an audit in accordance with R.S. 24:513.

7 §4351.12. Authorization of the Department of Insurance to employ investigators

8 The department shall have authority to employ investigators to investigate
9 complaints received against the group self-insurance fund authorized to do business
10 in this state and against any unauthorized group self-insurance fund that is reported
11 to be operating in this state.

12 §4351.13. Disclosure

13 A. It shall be unlawful for any person who is an officer, trustee, employee,
14 administrator, agent, or representative of the group self-insurance fund, as well as
15 any person, partnership, corporation, banking corporation, or any other legal entity
16 which performs any service for the group self-insurance fund, or prepares any report,
17 audit, financial statement or report for, or makes any representation on behalf of, for,
18 or with regard to the group self-insurance fund, in connection with any investigation,
19 or examination authorized by this Part, to act with the specific intent to do any of the
20 following:

21 (1) Represent falsely, directly or indirectly, to the department or any
22 employee, trustee or administrator of the department, that an asset of such group self-
23 insurance fund is unencumbered, or to misrepresent any other material fact
24 pertaining to the status of any asset or liability of the group self-insurance fund.

25 (2) Materially misrepresent to the department, or any employee, trustee, or
26 administrator of the department, the value of any asset or the amount of any liability
27 of the group self-insurance fund, or any affiliate, subsidiary, or holding fund
28 associated therewith, provided that with regard to a material misrepresentation of the
29 value of any asset or liability, any deviation from the actual value of such assets or

1 liability which results from utilization of and compliance with generally accepted
2 insurance accounting and reporting procedures shall not be deemed a violation of this
3 Section.

4 (3) Fail to disclose to the department the existence of any liability of the
5 group self-insurance fund, or affiliate, subsidiary, or holding company associated
6 therewith when such disclosure is properly requested or required in writing by an
7 examiner or administrator of the department.

8 (4) Materially misrepresent, withhold, deny access to, or otherwise preclude
9 the obtainment of any information properly requested in writing and in accordance
10 with provisions of law affecting dissemination or disclosure of information by
11 specific institutions by an examiner or administrator of the department, which is
12 material and relevant to an examination properly conducted by the department and
13 examiners and administrators of the department.

14 B. Whoever violates any provision of this Section, upon conviction, shall be

21 for each occurrence.

22 B. Any person against whom a fine has been levied shall be given ten days
23 notice of the action. Upon receipt of this notice, the person aggrieved may apply for
24 and shall be entitled to an administrative hearing conducted in accordance with the
25 provisions of the Administrative Procedure Act.

26 §4351.15. Dissolution

27 A. If the fund chooses to dissolve, it shall apply to the department for the
28 authority to dissolve. An application to dissolve shall be on a form prescribed by the

1 department and shall be approved or disapproved by the department within sixty
2 days of receipt.

3 B. The dissolution of the fund without authorization is prohibited and shall
4 not absolve or release the fund, a member, or any person or entity which has
5 executed an indemnity agreement from the fund's or person's obligations incurred or
6 entered into prior to the dissolution of the fund.

7 C. An application to dissolve shall be granted if either of the following
8 conditions is met:

9 (1) The fund has no outstanding liabilities including incurred but not
10 reported liabilities.

11 (2) The fund is covered by an irrevocable commitment from a licensed
12 insurer which provides for payment of all outstanding liabilities and for providing
13 all related services, including payment of claims, preparation of reports, and
14 administration of transactions associated with the period during which the plan
15 provided coverage.

16 D. Upon the dissolution of the fund and after payment of all outstanding
17 liabilities and indebtedness, the assets of the fund shall be distributed to all

20 §4351.16. Exclusive use of expirations

21 A.(1) Except as otherwise provided in this Section, for purposes of soliciting,
22 selling, or negotiating the renewal or sale of group self-insurance coverage, products,

24 use of expirations, records, or other written or electronic information directly related

2 insurance agent or insurance broker.

3 (2) The expirations, records, or other written or electronic information may
4 be used to review the group self-insurance application, to issue a policy, or for any
5 other purpose necessary for placing such business through the insurance producer.
6 The expirations, records, or other written or electronic information may also be used
7 for any other purpose which does not involve the soliciting, selling, or negotiating
8 the renewal or sale of group self-insurance coverage, products, or services.

16 affiliated group.

17 (3) When the insurance producer is in default for nonpayment of premiums
18 under the insurance agent's or insurance broker's contract or other agreement with
19 the group self-insurer, unless there is a legitimate dispute as to monies owed.

20 (4) When the agency contract is terminated and the insurance company is

22 company shall continue to pay the insurance agent or the insurance broker
23 commissions on such policies that the company is required to renew during the
24 thirty-six-month period following the effective date of the termination. The

26 of renewal for that class or line of business in effect on the date of renewal for
27 brokers or agents whose contracts are not terminated.

28 C. The insurance producer and insurer may in a written agreement separate

HB 1078 Reengrossed 2022 Regular Session Seabaugh

Abstract: Authorizes the creation of self-insurance funds for the purpose of providing auto insurance for vehicles which transport timber and agriculture products.

Proposed law authorizes the creation of a self-insurance fund for the purpose of providing auto coverage for vehicles that transport timber and agriculture products and names the fund as the La. Agriculture Transportation Group Self-Insured Fund.

Proposed law provides that any five or more La. timber or agriculture companies, who are not public entities, each of whom has a positive net worth and is financially solvent, may pool their liabilities and self-insure for the purposes of maintaining automobile coverage for timber and agriculture transportation vehicles. Proposed law provides that members of the fund must also be members of one or more bona fide trade or professional associations.

Proposed law defines "bona fide trade or professional association" as an active trade or professional association that promotes La. timber or agriculture production, is chartered and

domiciled in Louisiana, has been in existence and conducted regular meetings for at least five years, and is not established for the primary purpose of operating a self-insured fund.

Proposed law provides that no fund can become operative until the fund is issued a certificate of authority by the Dept. of Insurance after the department has approved the application for the fund and the documents required to establish solvency and the ability to properly manage and pay claims.

Proposed law provides that no person may solicit membership for a fund unless they are licensed by the department as a licensed insurance producer. Proposed law sets forth requirements for insurance producers who solicit membership for the fund and for the payment of commissions.

Proposed law provides that the rates for coverage, or the costs of premiums, that may be charged to the members must be in an amount that is actuarially justified. Proposed law further provides that once the rate filing is made to the department, the premium rates may be charged to the members of the fund for automobile coverage within 90 days after the rate filing is made.

Proposed law provides that, in order to maintain financial stability of the fund, the Dept. of Insurance is to require two or more timber or agriculture companies to maintain a combined net worth of \$1,000,000 or five or more principals of the member companies to maintain a combined net worth of \$1,000,000. Proposed law further provides that financial statements must not be more than one year old when submitted to the department of insurance for approval of the self-insurance fund. Proposed law requires further security in the form of excess insurance or reinsurance in an amount and in form that is approved by the Dept. of Insurance to insure the ability to properly manage and pay claims.

Proposed law provides that to further the financial stability of the self-insured fund, the members will pay a percentage over and above their premiums to establish a reserve account. Proposed law further provides that the reserve account will be maintained at all times while the self-insured fund is in operation and no payments can be made from the reserve account unless approved by the department.

Proposed law provides that, if the fund employs one or more third-party administrators, each third-party administrator of the fund must post a bond. Proposed law provides that, if the fund employs its own administrator, the fund is required to purchase a bond, errors and omission's insurance, or other security that is approved by the Dept. of Insurance.

Proposed law provides that a self-insurer's fund must obtain a minimum of \$750,000 in premiums in the fund for the first year and \$2,000,000 in premiums for each year thereafter.

Proposed law provides for agreements to pool liabilities to be set forth in the indemnity agreement or other instruments. Proposed law provides for annual premium audits to be conducted by an independent audit firm that is approved by the department.

Proposed law provides for proper audits by the fund in a form that is acceptable to the department. Proposed law does not prohibit the legislative auditor from also reviewing the records and conducting an audit of the fund.

Proposed law provides that each member must sign mutual indemnity agreements to cover the risk of liability covered by the fund and copies of the agreements will be presented to the Dept. of Insurance when the application is made for approval of the fund. Proposed law provides that proof of advanced payments to the fund of at least 25% of each member's first year estimated annual earned premiums must be provided with the application.

Proposed law provides that monies deposited into the fund may be invested in certain interest-bearing or interest-accruing investments and in certain bonds and securities that are

publically traded or have a certain minimum rating with Moody's, Standard and Poor's, or Fitch.

Proposed law further provides that the department may impose fines and penalties for failure to comply with requirements to operate the fund as required by proposed law. Proposed law further provides that the department may revoke the authority to operate the fund or issue cease and desist orders if the requirements of proposed law are not maintained by the fund and its members.

Proposed law provides for standards to which self-insurers must adhere and provides for authority for the department to take action when a self-insurer is in hazardous financial condition.

Proposed law provides that any administrative hearing that is necessary to resolve a dispute related to the regulation of the fund is to be conducted by the division of administrative law in accordance with present law.

Proposed law provides that, if the fund becomes insolvent, the Dept. of Insurance will require the fund to submit a plan to take necessary action to restore solvency and the plan must be approved by the department. Proposed law provides that, if the fund cannot be restored, the Dept. of Insurance is authorized by proposed law to execute delinquency proceedings and place the fund into confidential administrative supervision, conservation, rehabilitation, or liquidation. Proposed law further provides that the 19th Judicial District Court has exclusive jurisdiction to hear any delinquency proceeding instituted by the department for the failure of a fund to comply with the approved corrective action plan and the court may issue an injunction to restrain the fund and its officers, agents, directors, or employees from transacting any insurance business or disposing of property until further action by the court.

Proposed law provides that an examination of the fund is to be made by the department at least every five years. Proposed law provides that the examiners are to be appointed by the department, who is to instruct them on the scope of the examination in order to determine if the fund is operating in compliance with proposed law, and the examiners expenses are to be paid by the fund.

Proposed law provides that the department may employ investigators to investigate complaints received against a fund that is approved to operate under proposed law or against any unauthorized group self-insurance fund that is reported to be operating in this state.

Proposed law provides that a fund wishing to dissolve may apply to the department. Proposed law further provides the requirements for the dissolution of the fund, including the requirements for payment of future claims and the methods to secure future obligations of the fund.
