AN ACT

To amend and reenact R.S. 2:809 and to enact R.S. 2:801(6), relative to DOTD and the
definition of an airport sponsor; to provide for the approval, inspection, and
certification of airport construction projects; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 2:809 is hereby amended and reenacted and R.S. 2:801(6) is hereby
enacted to read as follows:

§801. Definitions

* * *

(6) "Sponsor" means any state agency, city, town, parish, airport
authority, or other political subdivision which owns, leases, or controls any
airport, landing field, landing strip, seaplane base, helipad, or aid to air
navigation.

§809. Inspection

A. The department shall approve the engineering and construction plans
for any proposed projects that are prepared by consultant or contract engineers for
any recipient airport authority. The department may inspect the construction of a
project at any time to assure project compliance.

B. The department shall inspect a complete project with the consultant
or contract engineer. The engineer sponsor shall certify that construction is in
accordance with plans and specifications. The department may inspect a completed
project at any time to assure that the project is being maintained in accordance with
project specifications and agreements.
Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.
