**Synopsis of Senate Amendments**

1. Deletes the subclassifications of residential construction.

**Digest of Bill as Finally Passed by Senate**

Present law, through Chapter 24 of Title 37 of the La. Revised Statutes of 1950, provides state law related to contracting and creates the La. State Licensing Board for Contractors (LSLBC) to oversee the occupation of contracting in this state.

Present law (Part II of Chapter 24 of Title 37) provides that the board shall oversee home improvement contracting.

Present law (Part II of Chapter 24-A of Title 37) regulates the occupation of mold remediation.

Present law also designates the board as the authority which regulates persons who perform mold remediation in this state.

Proposed law reorganizes and consolidates present law provisions related to contracting, home improvement contracting, and mold remediation.

Proposed law relocates the provisions of present law relative to home improvement contracting and mold remediation, and incorporates them into the general provisions regarding contracting and the duties and responsibilities of the LSLBC in Chapter 24 of present law.

Proposed law deletes duplicative language in present law.

Proposed law deletes section of present law encompassing content that is redesignated in proposed law.
