 Provides relative to criminal justice reinvestment savings and reporting requirements

Proposed law makes changes to the reporting requirements of the Department of Public Safety & Corrections (DPS&C) regarding the savings attributed to the 2017 criminal justice reform legislation. Provides for the allocation of the annual savings realized as a result of the criminal justice reinvestment legislation enacted in the 2017 Regular Session. Requires DPS&C to enter into cooperative endeavors or contracts with the Louisiana Workforce Commission, the Louisiana Department of Education, the Louisiana Community and Technical Colleges, and other service providers to provide entrepreneurial educational opportunities for eligible offenders. Provides that the proposed law shall not change or impact the savings recognized in FY 17 - 22, or change or impact the continuous and reoccurring allocation of savings recognized in these prior years and allocated to DPS&C, the Office of Juvenile Justice, the Louisiana Commission on Law Enforcement, and sheriffs' offices for the purposes of reinvestment shall not change. Provides for prospective application only (FY 23 and subsequent years).

EXPENDITURE EXPLANATION

The proposed law simplifies the calculation and allocation of the total realized annual savings from the Criminal Justice Reinvestment Act of 2017. The calculations under proposed law result in the same allocations as in current law for DPS&C (for grants), and LCLE. Proposed law eliminates future allocations for DPS&C (for reentry programs) and OJJ and reallocates those funds to the Louisiana Community and Technical College System (LCTCS). For illustrative purposes, using the total savings realized in FY 21 (and carried forward to FY 22) the allocations under proposed law would be as follows:

Total Savings	\$2,127,536
70% of savings is a bona fide obligation of the state:	
15% to DPS&C (for grants)	\$319,130
10% to LCLE	\$212,754
45% to LCTCS	<u>\$957,391</u>
Total 70% of savings	\$1,489,275

There is an indeterminable fiscal impact for the Department of Public Safety & Corrections (DPS&C) as a result of the requirement to enter into cooperative endeavors and contracts with the Louisiana Workforce Commission (LWC), the Louisiana Department of Education (LDOE), the Louisiana Community and Technical Colleges (LCTCS), and other service providers to provide entrepreneurial educational opportunities for eligible offenders. The impact is indeterminable as agencies are currently unable to determine the scope and fiscal impact of any cooperative endeavor agreements or contracts.

[CONTINUED EXPENDITURE EXPLANATION FROM PAGE 1]

For illustrative purposes only: While DPS&C does not currently have any cooperative endeavor agreements (CEAs) or contracts with the aforementioned entities, DPS&C does have existing re-entry programs involving adult education programs, vocational training, and apprenticeship programs. DPS&C reports the agency is currently involved in a working group with LCTCS and LDOE to implement the Justice Pell Program. This program will utilize federal Pell grant funding to provide educational and vocational education to offenders. DPS&C currently estimates this program to be implemented in FY 24.
