SB 333 Reengrossed

2022 Regular Session

Hewitt

Proposed law provides for the abolition of certain boards, commissions, authorities, and like entities; abolishes the functions and responsibilities of the entity and provides for any necessary transitions and transfers, all as follows:

Medical Education Commission: Present law creates the commission to make recommendations to the secretary of the Dept. of Health on the distribution of funding for residency positions, residency supervision, and other medical education resources for the LSU HSC hospitals among medical education programs providing services and to analyze and make recommendations to the secretary of the Dept. of Health regarding appropriate formulas to be used in calculating the amounts to be paid to a medical institution in support of its training programs in the LSU HSC hospitals. Proposed law abolishes the commission.

Health Education Authority of La.: Present law creates the authority to promote health education initiatives for both public and private entities, assisting in providing prompt and efficient medical and health care services at a reasonable cost, and striving to achieve standards of attainment in health care and education. Proposed law abolishes the agency. Provides for transfer of assets to the state.

Effective upon signature of the governor or lapse of time for gubernatorial action.
