Present law authorizes charter schools to have corporate partners.

Present law provides that a corporate partner is any legal entity registered with the secretary of state, except those holding gaming licenses, that has donated specified facilities or improvements to the charter school.

Proposed law adds the following as authorized corporate partners: a regional airport, or any federal or state entity or agency, including a public postsecondary education institution.

Proposed law provides that a proposal for a charter school with a corporate partner may be made first to BESE as a Type 2 charter school.

Proposed law otherwise retains present law.
