

HOUSE SUMMARY OF SENATE AMENDMENTS

HCR 69

2022 Regular Session

Brass

CURRICULA/DRIVER ED: Requests establishment of credentials for commercial driver's license classroom training

Synopsis of Senate Amendments

1. Removes a provision that specified classroom instruction be made available to students for the 2022-2023 school year.
2. Makes a technical change.

Digest of Bill as Finally Passed by Senate

Requests the State Bd. of Elementary and Secondary Education, the state Dept. of Education, the La. Community and Technical College System, and the La. Workforce Commission to collaborate to establish an industry-based credential offered through dual enrollment for the classroom instruction portion of commercial driver's license training.
