**EXPENDITURE EXPLANATION**

Proposed law may result in an indeterminable increase in expenditures to the Louisiana Department of Veteran Affairs (LDVA) to the extent an eligible guardsman is awarded disability benefits. The \$100,000 disability benefit is awarded to eligible guardsmen who receive a 100% total and permanent disability rating from injuries incurred in eligible periods of activation and claimed and service-connected in their initial rating decision from the U.S. Department of Veteran Affairs (USVA). The \$50,000 disability benefit, created by the legislature in 2020, is awarded to eligible guardsmen who initial injuries progressed or worsened to a 100% total and permanent disability rating after the initial examination or rating based on specific parameters. To the extent proposed law results in one (1) full disability awarded to a veteran, the fiscal impact is \$100,000 and to the extent it impacts two (2) partial disability awards to veterans, the impact is \$50,000 per award for a total of \$100,000.

Proposed law defines "guardsman or guardsmen" as **a person who was** an officer or enlisted member of the Louisiana National Guard **and, for purposes of this Section's disability benefit, who was discharged or released from all periods of federal and state service under honorable or general under honorable conditions.**
