**FUNDS/FUNDING: Creates a fund for the purpose of funding tuition exemptions and reduction of textbook costs for persons who are age fifty-five or older**

-----

DIGEST

Present law exempts a person age 55 or older from tuition and fees and grants them a 50% reduction on textbook costs at public postsecondary education institutions. Proposed law applies exemption to all courses, whether in-person or online or a combination thereof.

Present law requires any funds lost to institutions due to present law to be reimbursed by the state. Provides that the tuition exemption and reduction in textbook costs are subject to the appropriation of funds by the legislature for such reimbursement. Proposed law retains present law and creates the Pursuing Rewarding, Innovative, and Meaningful Education (PRIME) Fund (fund) as a special fund in the state treasury to be administered by the Board of Regents and to fund present law. Proposed law further:

- (1) Limits fund disbursements to a maximum of \$200 per credit hour.
- (2) Provides that the treasurer shall deposit in and credit to the fund all grants and donations to the fund by the legislature.
