Digest of the bill as proposed by the Conference Committee

Present law provides that the executive director of the La. Workforce Commission, the secretary of the Dept. of Children and Family Services, the secretary of the La. Dept. of Health, the state

superintendent of education, and the president of the La. Community and Technical College System, referred to collectively as the "state partners", collaborate to design and implement a workforce training and education initiative for public assistance recipients. Present law further provides that the initiative's purposes are to improve employment opportunities for and promote workforce advancement.

Proposed law retains present law and provides for an advisory board to assist the state partners and provides for the advisory board membership and meetings.

Present law requires the state partners to design the initiative's operations and system of services to facilitate replication of the program in all regions of the state.

Proposed law retains present law and requires, prior to the design and implementation of the initiative, the advisory board to conduct meetings for the purpose of receiving public input regarding the program.

Present law provides for the pilot initiative to operate and serve participants in certain regions. Proposed law changes the initial areas served to the following parishes: Concordia, East Carroll, Madison, Morehouse, Ouachita, Richland, St. Landry, and Tensas.

Present law provides that, if agreed to by the head of each state partner, the partners may expand the geographic service area of the pilot initiative beyond the initial regions.

Proposed law retains present law but removes the requirement for agreement by each state partner.

Present law provides for the duties of the state partners in implementing and administering the initiative.

Proposed law retains present law but makes technical changes.

Present law provides for the state partners to submit annual reports providing a summary and evaluation of the initiative's outcomes to the legislative committees on labor and industrial relations and to the legislative committees on health and welfare.

Proposed law retains present law and provides for the annual report also to be provided to the advisory board.

Proposed law authorizes the initiative to provide vocational education, basic education, educational certificates, and supportive services.

Proposed law makes technical changes by changing "regions" to "parishes".

Effective upon signature of the governor or lapse of time for gubernatorial action.
