Directs the Cash Management Review Board to consider and report on ways the state can utilize cryptocurrency

Proposed resolution requires the Cash Management Review Board to function as the Louisiana Digital Assets Working Group to research the use of digital assets in the state. Proposed resolution further directs the working group to develop an advisory group comprised of experts in financial technologies to advise the activities and recommendations of the working group. The working group is required to submit a report of its findings to the state treasurer on or before February 1, 2023.

**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed resolution establishes the Louisiana Digital Assets Working Group to research issues relative to the use of digital assets in Louisiana and report the findings to the state treasurer. Further, the working group is required to develop an advisory group comprised of experts in financial technologies to inform the activities of the working group. The Treasury anticipates that these experts will volunteer participation and that any costs associated with the working group will be absorbed with existing resources.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
