EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The LA Commission on Law Enforcement has already produced seven training modules on human trafficking on behalf of the Peace Officers Standards and Training Council. The proposed legislation will make the completion of the training modules by peace officers mandatory, instead of voluntary. The training for human trafficking prevention is online. LCLE updates the training periodically and has thus far been able to utilize federal grant funds to produce the training modules.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
