10	§1826.4. Foreign travel; research institutions
11	A. By July 1, 2023, each postsecondary education institution as defined
12	in R.S. 17:1826.2 that receives state appropriations and has a research budget
13	of ten million dollars or more shall establish an international travel approval
14	and monitoring program. The program shall require preapproval and screening
15	by the institution for any employment-related foreign travel and
16	employment-related foreign activities engaged in by any faculty member,
17	researcher, or any other research department staff. This requirement is in
18	addition to any other travel approval process applicable to the institution.
19	<b>B.(1)</b> Preapproval by the institution shall be based on the applicant's
20	review and acknowledgment of guidance published by the institution which
21	relates to countries under sanctions or other restrictions imposed by the state

7	and honoraria received during the travel and activities, including for
8	transportation, food, and lodging. The institution shall keep records of the
9	purpose of the travel and any records related to the foreign activity review.
10	These records shall be retained for at least three years or any longer period of
11	time required by any other applicable state or federal law.
12	<b>D.</b> The institution shall provide an annual report of travel to foreign
13	countries of concern as defined in R.S. 17:1826.2 listing individual travelers,
14	foreign locations visited, and foreign institutions visited to the board of
15	supervisors of the applicable institution.
16	E. By July 1, 2025, the office of the legislative auditor shall perform an
17	operational audit regarding the implementation of this Section.
18	Section 2. This Act shall become effective on July 1, 2023.
