EXPENDITURE EXPLANATION

To the extent the Department of State has already incurred costs pursuant to Act 5 of the 2022 First Extraordinary Session that would be duplicated to implement proposed law, the department will likely experience additional expenditures of an indeterminable amount. In addition, if the compressed time frame of implementing proposed law creates additional costs for the department to cover the additional workload and any overtime costs, the department will incur additional expenditures of an indeterminable amount.

The department is working to get estimates of any additional costs related to duplicative costs and/or increased workload. Once the Legislative Fiscal Office receives feedback from the department, this fiscal note will be updated accordingly.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
