9 §938.2. Additional Duties of the Department of Economic Development;
10 Manufacturing Development

11 A. Notwithstanding any other provision of law to the contrary, the
12 Department of Economic Development shall do all of the following regarding
13 manufacturing:

14 (1)(a) Develop and implement a state strategic plan for attracting
15 manufacturers to the state.

16 (b) The purpose of the state strategic plan is to design a program for the
17 preparation and distribution of promotional and informational materials citing the
18 key economic benefits of locating manufacturing facilities in the state.

19 (2) Monitor the implementation of the state strategic plan to attract
20 manufacturers to the state.

21 (3) Develop a plan to identify areas of land for future manufacturing use.

22 (4) Identify manufacturing sites that are ready for development.

23 (5) Develop a plan in conjunction with the office of workforce development
24 and Technical College System for the training of skilled workers to ensure a scalable
25 workforce.

26 (6) Develop a plan for locating and identifying property for potential
27 workforce housing.

28 B. The department shall promote the development of the manufacturing
29 industry within this state and may engage in all of the following activities:

1 (1) Contracting with and directing trade or industry representatives for the
2 purpose of promoting Louisiana as a site for the development of future
3 manufacturing facilities.

4 (2) Serving as an informational clearinghouse and providing technical
5 assistance to individuals and entities engaged in manufacturing by compiling,
6 producing, publishing, and updating a comprehensive directory on sites, facilities,
7 services, tax incentives, and permitting practices for the state.

8 (3) Participating in regional, national, and international manufacturing
9 conferences and networking opportunities.

10 (4) Sponsoring workshops and seminars on topics including but not limited
11 to legal and financial aspects of locating manufacturers in the state.

12 C. All departments, commissions, boards, agencies, officers, and institutions
13 of this state and all subdivisions thereof shall cooperate with the office in carrying
14 out the purposes of this Section.

15 D. The department is hereby designated as the applicant, administrative
16 body, and recipient for accepting and administering any and all state, federal, and
17 private funds awarded to and allocated by this state for any purpose covered by this
18 Section.

19 E. The department shall provide the Legislature of Louisiana with an annual
20 report regarding the provisions of this Section at least thirty days before the covering
21 of the regular legislative session.
