

RÉSUMÉ DIGEST

ACT 755 (SB 416)

2022 Regular Session

Abraham

Prior law created the Calcasieu-Cameron Navigation District in Calcasieu and Cameron parishes to function as the single entity responsible for acting to secure rights-of-way, and to furnish assurances for the construction, operation, and maintenance of the project as designated by the United States Army Corps of Engineers.

Prior law provided that Calcasieu Parish was the district's domicile, but allowed district offices to be maintained in Cameron Parish.

Prior law provided for the district to be governed by a five-member board of commissioners.

Prior law authorized the board to levy annually an ad valorem tax not to exceed five mills on the dollar on property subject to taxation in the district, provided that the levy was authorized by a favorable vote of a majority of the qualified electors in each parish within the district at an election called within three years of the effective date of prior law.

Prior law authorized the board to pledge all or part of its revenues to payment of bonds but specified that total annual tax collections shall not exceed \$20 million.

Prior law provided for sunset of the district on July first of the year following an unfavorable vote to pass and levy an ad valorem tax.

New law repeals prior law.

Effective August 1, 2022.

(Repeals R.S. 34:481-490)
