

RÉSUMÉ DIGEST

ACT 537 (SB 104)

2022 Regular Session

Mizell

New law provides that a patient in an outpatient abortion facility shall be permitted unimpeded, private, and uncensored communications with persons by telephone. New law further prohibits an outpatient abortion facility from requiring a patient to forego possession of the patient's mobile phone or cellular phone as a condition for receiving services or patient access to the facility.

New law provides that a violation shall be considered a violation of a condition of licensure and subject to applicable penalty provisions.

Effective June 17, 2022.
